NOTICE

An intensive postgraduate course in stapes surgery will be given May 14th to June 1st, 1962, by Dr. Samuel Rosen and Staff at the Mount Sinai Hospital, New York, in affiliation with Columbia University.

The course will include all surgical techniques and the audiological principles involved. Surgery in the operating room and cadaver material will be used for instruction.

Candidates for the course must have had adequate experience in endaural surgery and must have available 50 cadavers for practice after termination of the course before operating upon patients.

Apply to *Registrar for Postgraduate Medical Instruction*, The Mount Sinai Hospital, Fifth Avenue and 100th Street, New York 29, New York.

UNIVERSITY OF BAGHDAD

The University of Baghdad has asked the British Council to find British candidates for a number of posts in their Colleges of Medicine at Mosul and Baghdad. One of these appointments is for a Professor of Ear, Nose and Throat Diseases at the College of Medicine, Baghdad.

Anyone interested should communicate with the Director, Recruitment Department, The British Council, 65, Davies Street, London, W.1.

NORTH OF ENGLAND OTOLARYNGOLOGICAL SOCIETY

“THE GEORGE SEED MEMORIAL PRIZE” (previously known as the “Fifty Guinea Prize”) will be awarded in 1962 for AN ORIGINAL PAPER on work in Otolaryngology carried out in the NORTH OF ENGLAND. The investigation must have been carried out during the tenure of a post as senior registrar, house officer, registrar or clinical assistant.

Entries (3 copies) should be sent, before June 30th, 1962, to:

The Honorary Secretary, North of England Otolaryngological Society,
73, Rodney Street, LIVERPOOL, 1.

FIRST BRITISH ACADEMIC CONFERENCE IN OTOLARYNGOLOGY

This will be held at the Royal College of Surgeons of England between June 16th and 21st, 1963.

There will be formal sessions at which invited speakers will read papers, and these will be discussed.

A special feature will be seminars and revision courses conducted for small groups by known authorities on various topics in our specialty and allied subjects. These will include the basic sciences.

Information about the Conference will be sent in due course to Otolaryngological Associations and Societies overseas, and members of these will be welcome as participants.

Further notifications will appear in this Journal from time to time.
