REAGAN

The Life

H. W. Brands

"In *Reagan*, a superb biographer writing at the top of his game has found the perfect subject for his narrative skills and profound understanding of the American presidency. Over the years H. W. Brands has produced an extraordinary body of historical and biographical works. This is his masterpiece."

—Doris Kearns Goodwin, author of *The Bully Pulpit: Theodore Roosevelt, William Howard Taft, and the Golden Age of Journalism*

FREEDOM OF SPEECH

Mightier Than the Sword

David K. Shieler

Through selected accounts of First Amendment invocation and infringement, Shieler maps a rapidly shifting topography of political and cultural norms. Anchored in personal stories but encompassing a theme as sweeping and essential as democracy itself, *Freedom of Speech* brilliantly reveals the triumphs and challenges of defining and protecting the boundaries of free expression in modern America.

FLASHPOINTS

The Emerging Crisis in Europe

George Friedman

With remarkable accuracy, George Friedman has forecasted coming trends in global politics, technology, population, and culture. Analyzing the most unstable, unexpected, and fascinating borderlands of Europe and Russia—and the fault lines that have existed for centuries and have been ground zero for multiple catastrophic wars—Friedman highlights the flashpoints that are smoldering once again.

MICHELLE OBAMA

A Life

Peter Slevin

Here is the first comprehensive account of the life and times of Michelle Obama, a woman of achievement and purpose. With disciplined reporting and a storyteller's eye for revealing detail, Peter Slevin follows Michelle to the White House from her working-class childhood on Chicago's largely segregated South Side.

KNOPF | CLOTH | 432 PAGES | \$27.95

ROOSEVELT AND STALIN

Portrait of a Partnership

Susan Butler

Butler tells the story of how the leader of the capitalist world and the leader of the Communist world became more than allies of convenience during World War II. Butler reassess in-depth how the two men became partners, how they shared the same outlook for the postwar world, and how they formed an uneasy but deep friendship, shaping the world's political stage from the war to the decades leading up to and into the new century.

HISSING COUSINS

The Untold Story of Eleanor Roosevelt and Alice Roosevelt Longworth

Marc Peyser and Timothy Dwyer

"With verve and insight, Marc Peyser and Timothy Dwyer have written a powerful and entertaining portrait of an important and overlooked American relationship. By charting the turbulent connection between Eleanor Roosevelt and Alice Roosevelt Longworth, Peyser and Dwyer take us inside a momentous family during momentous hours."

—Jon Meacham, author of *Thomas Jefferson: The Art of Power*

NAN A. TALESE | CLOTH | 352 PAGES | \$28.95

HITLER'S FIRST VICTIMS

The Quest for Justice

Timothy W. Ryback

"In recounting the compelling story of a prosecutor who sought to bring to justice the perpetrators of crimes at Dachau in the early days of the Nazis' reign, Timothy Ryback's book is all the more startling and important for bringing to life an episode so little known."

—Raymond Bonner, author of *Anatomy of Injustice*

KNOPF | CLOTH | 288 PAGES | \$26.95

AMERICAN WARLORD

A True Story

Johnny Dwyer

Chucky Taylor was in many ways an average American kid until, in 1992, he traveled to Liberia to meet his estranged father, Charles Taylor—the warlord and future president—and Chucky became commander of the infamous "Demon Forces." Suddenly any semblance of morality vanished. When Chucky was caught sneaking into the United States, he became the first American convicted of the war crime of torture.

Politics from Princeton

The Rise and Fall of Classical Greece

Josiah Ober

“This is a groundbreaking book on the ancient world. Displaying the narrative skill of a master historian, *The Rise and Fall of Classical Greece* is must reading.”

—Barry Strauss, author of *The Death of Caesar*

“An astonishing work. If you want to know what the fuss is about the ancient Greeks, this is the book to start with.”

—John Ma, University of Oxford

Cloth \$35.00

American Insecurity

Why Our Economic Fears Lead to Political Inaction

Adam Seth Levine

“Developing a groundbreaking theory about the difficulties of collective action in American politics, this book considers how interest groups, public political participation, and the responsiveness of elected officials play a role in the distinct lack of policies aimed at ameliorating the effects of economic insecurity in the United States. One of the most important books in decades.”

—James N. Druckman, Northwestern University

Cloth \$29.95

In-Your-Face Politics

The Consequences of Uncivil Media

Diana C. Mutz

“This book is a model of exemplary social science: it investigates a politically salient issue, exploits an arsenal of methodological issues, and is written in a lucid and lively style. It is an entertaining and instructive study of politics and media, and the effects of mass communications and close-up camera perspectives.”

—Paul Sniderman, Stanford University

Cloth \$29.95

Paths Out of Dixie

The Democratization of Authoritarian Enclaves in America's Deep South, 1944–1972

Robert Mickey

“This is an impressive account of political change in South Carolina, Mississippi, and Georgia, from one-party authoritarian regimes in the 1890s to democracies in the 1970s. Mickey's analyses of the constellation of forces in each state are powerful.”

—Amy Bridges, University of California, San Diego

Paper \$35.00 Cloth \$80.00

Nations under God

How Churches Use Moral Authority to Influence Policy

Anna Grzymala-Busse

“In this magisterial book, Anna Grzymala-Busse explains why churches in some nations wield political influence while churches in others do not. Wise, ambitious, and beautifully crafted, *Nations under God* is a model of comparative political analysis and is required reading for anyone interested in religion and politics.”

—James A. Morone, author of *The Devils We Know* and *Hellfire Nation*

Paper \$29.95 Cloth \$95.00

War and Democratic Constraint

How the Public Influences Foreign Policy

Matthew A. Baum & Philip B. K. Potter

“*War and Democratic Constraint* is a major achievement on several fronts. It offers evidence that public opinion can and does constrain government actions—in the foreign policy area no less. More importantly, it shows how this power to constrain is not the same for all democracies.”

—Robert Y. Shapiro, Columbia University

Paper \$29.95 Cloth \$95.00

Politics from Princeton

The Muslim Brotherhood

Evolution of an Islamist Movement

Carrie Rosefsky Wickham

With a new afterword by the author

“Fine-grained, historically rich analysis.”

—Charles Tripp, *London Review of Books*

“A careful analysis that is meticulous in questioning the data from a position of critical reflection. . . . [A] fine example of academic research.”

—Christina Hellmich, *Times Higher Education*

Paper \$24.95

Political Bubbles

Financial Crises and the Failure of American Democracy

Nolan McCarty, Keith T. Poole & Howard Rosenthal

“McCarty, Poole, and Rosenthal are the most incisive analysts of America’s political economy. In *Political Bubbles*, their penetrating gaze offers the clearest definitive political economic explanation for the recent financial crisis.”

—James Robinson, Harvard University and coauthor of *Why Nations Fail*

Paper \$24.95

Thinking about the Presidency

The Primacy of Power

William G. Howell

With David Milton Brent

“As one who served in the White House, I know something about the demands and dimensions of the modern presidency. In *Thinking about the Presidency*, Will Howell contributes new and valuable insights into how the role has evolved, and what it means for our country.”

—David Axelrod, former senior advisor to President Barack Obama

Paper \$17.95

The Locust and the Bee

Predators and Creators in Capitalism’s Future

Geoff Mulgan

“An important contribution to this field.”

—John Lloyd, *Financial Times*

“Abounds with arresting observations . . . no one will finish the book without having learned something new and important.”

—John Gray, *New Statesman*

Paper \$19.95

Watchdogs on the Hill

The Decline of Congressional Oversight of U.S. Foreign Relations

Linda L. Fowler

“Congress has played an important, but often underrecognized, role in US foreign policymaking. This book shows that the oversight activities of the Senate Armed Services and Senate Foreign Relations Committees are significant, but that they each proceed differently due to their specific roles.”

—Ralph Carter, Texas Christian University

Paper \$29.95 Cloth \$95.00

White Backlash

Immigration, Race, and American Politics

Marisa Abrajano & Zoltan L. Hajnal

“In this ambitious, meticulously researched, and powerful book, Abrajano and Hajnal reveal the significant impact immigration has had on white political behavior and policy choices over the past three decades. This pathbreaking work will change how we think about the current partisan divide in the United States.”

—Lisa García Bedolla, author of *Latino Politics*

THE NEXT GREAT WAR?
The Roots of World War I and the Risk of U.S.–China Conflict
edited by **Richard N. Rosecrance** and **Steven E. Miller**

"None of the leaders who drifted into war in August 1914 would have done so could they have foreseen the world of 1918. In this thought-provoking volume, distinguished observers and participants in international affairs assess the origins of that catastrophe and its important lessons for the future."

FAILED PROMISES
Evaluating the Federal Government's Response to Environmental Justice
edited by **David M. Konisky**

"This is a convincing and timely assessment of an important, but troubled, federal initiative. Twenty years after a landmark presidential executive order, environmental justice policy effectiveness remains disappointing. Success is possible only if both citizens and policymakers absorb the lessons in this sympathetic but tough-minded book."

DREAM CHASERS
Immigration and the American Backlash
John Tirman

"Combining first-hand reporting and nuanced analysis, John Tirman has produced an essential primer that explains immigration in the context of American politics and the global economy. If you read only one book to understand the current immigration debate, *Dream Chasers* is the one."
