## Russia and Germany Reborn

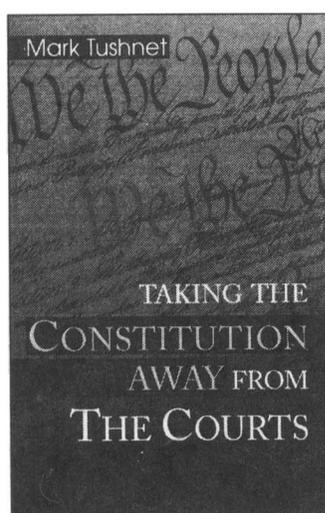

Unification, the Soviet Collapse, and the New Europe

**Angela E. Stent**

The relationship between Russia and Germany has been pivotal in some of the most fateful events of the twentieth century. This is the first book to examine the recent evolution of that relationship from both the Russian and German perspectives.

Angela Stent combines interviews with key international figures—including Mikhail Gorbachev—with insights gleaned from newly declassified archives in East Germany and her own profound understanding of Russian-German relations.

Cloth \$29.95 ISBN 0-691-05965-9

## Taking the Constitution Away from the Courts

**Mark Tushnet**

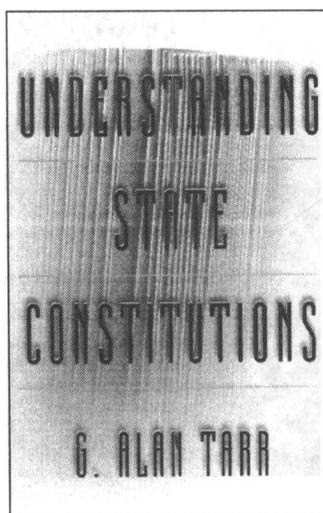

Here a leading scholar in constitutional law, Mark Tushnet, challenges hallowed American traditions of judicial review and judicial supremacy, which allow U.S. judges to invalidate “unconstitutional” governmental actions.

Tushnet urges that we create a “populist” constitutional law in which judicial declarations deserve no special consideration. A populist Constitution, he maintains, will be more effective than a document exclusively protected by the courts.

“A major work—a potential classic that promises also to be an academic bestseller. . . .”

—Mark Graber, University of Maryland

Cloth \$29.95 ISBN 0-691-00415-3 *Due March*

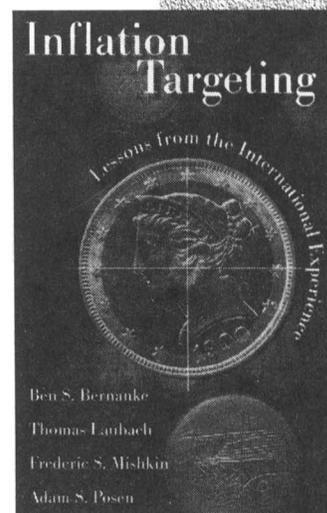

## Understanding State Constitutions

**G. Alan Tarr**

Scholars have paid little attention to state constitutions, favoring the apparently more dynamic and significant federal scene. G. Alan Tarr seeks to change that in this landmark book. A leading authority on state legal issues, he combines history, law, and political science to present a thorough account of the distinct and important role of state constitutions in American life.

“Tarr’s book deals extremely effectively with the larger questions of state constitutionalism. . . . It is a wonderful work of scholarship.”—Harry N. Scheiber, University of California, Berkeley

Cloth \$35.00 ISBN 0-691-01112-5

## Inflation Targeting

Lessons from the International Experience

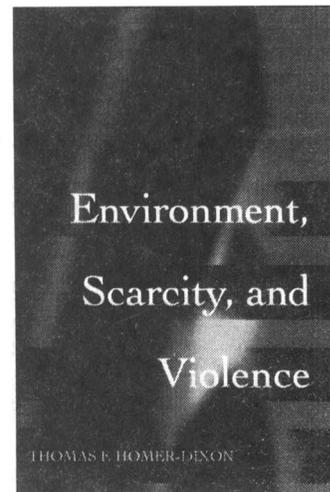

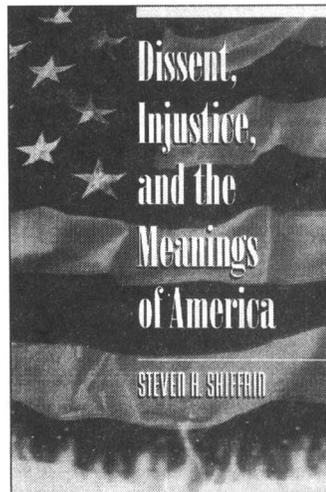

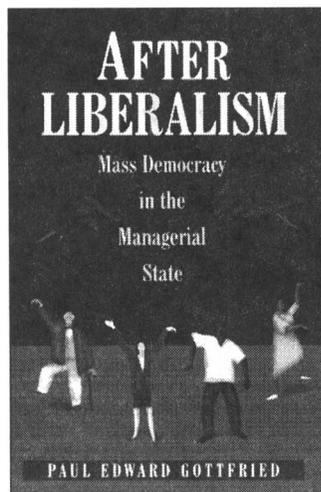

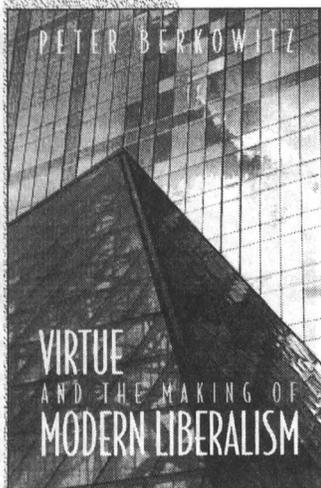

**Ben S. Bernanke, Thomas Laubach, Frederic S. Mishkin, and Adam S. Posen**

How should governments and central banks use monetary policy to create a healthy economy? In recent years a promising new approach has emerged: publicly announcing and pursuing specific targets for the rate of inflation. This book is the first in-depth study of inflation targeting.

*Inflation Targeting* examines how well variants of this approach have worked in nine countries. Clear, balanced, and authoritative, it is a groundbreaking study that will have a major impact on the debate over the right monetary strategy for the coming decades.

Cloth \$24.95 ISBN 0-691-05955-1

# New from Princeton

## Virtue and the Making of Modern Liberalism

Peter Berkowitz

Virtue has been rediscovered in the United States as a subject of public debate and of philosophical inquiry. Here Peter Berkowitz clarifies the fundamental issues, arguing that a certain ambivalence toward virtue reflects the liberal spirit at its best. Drawing on recent scholarship as well as classical political philosophy, he makes his case with penetrating analyses of four central figures in the making of modern liberalism: Hobbes, Locke, Kant, and Mill.

"The best-written book on political theory I have read in some time."

—Jerry Muller, The Catholic University of America

*New Forum Books: Robert P. George, Editor*

Cloth \$27.95 ISBN 0-691-01688-7

## After Liberalism

Mass Democracy in the Managerial State

Paul Gottfried

In this trenchant challenge to social engineering, Paul Gottfried analyzes a patricide: the slaying of nineteenth-century liberalism by the managerial state. Today liberalism no longer connotes distributed powers and bourgeois moral standards, the need to protect civil society from an encroaching state, or the virtues of vigorous self-government. Gottfried shows why it matters that the managerial state has replaced traditional liberalism.

"This brilliant and disquieting book should reshape current debates and be essential reading for all who seek to understand them."

—Elizabeth Fox-Genovese, Emory University

*New Forum Books: Robert George, Editor*

Cloth \$27.95 ISBN 0-691-05983-7

## Dissent, Injustice, and the Meanings of America

Steven H. Shiffrin

Americans should not just tolerate dissent. They should encourage it. In this provocative and wide-ranging book, Steven Shiffrin argues that dissent should be promoted because it lies at the heart of a core American value: free speech. Shiffrin is one of the country's leading first-amendment theorists. Powerfully and clearly argued, his book is a major contribution to debate about one of the most important subjects in American public life.

"This book will reinforce Shiffrin's position as one of the leading, if not the leading, theorist of a progressive understanding of free speech."

—Frederick Schauer, Harvard University

Cloth \$29.95 ISBN 0-691-00142-1

## Environment, Scarcity, and Violence

Thomas F. Homer-Dixon

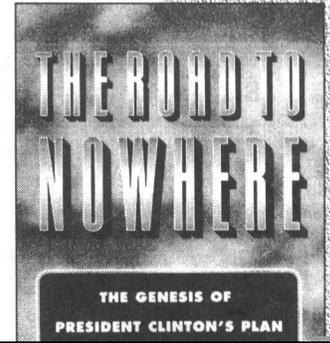

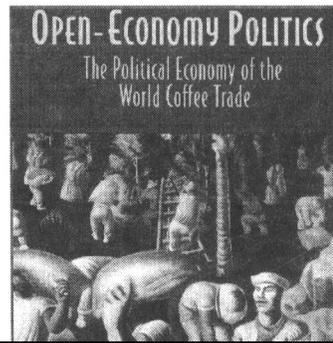

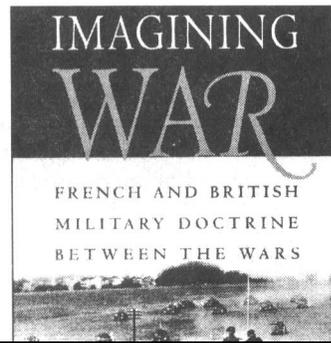

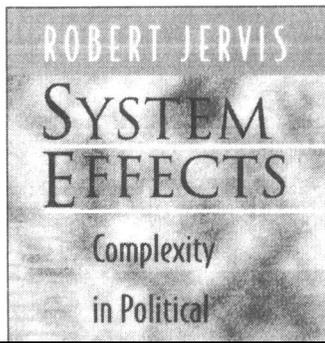

Thomas Homer-Dixon argues in this sobering book that environmental scarcities will have profound social consequences—contributing to insurrections, ethnic clashes, urban unrest, and other forms of civil violence, especially in the developing world. Clearly written and forcefully argued, this book will become the standard work on the complex relationship between environmental scarcities and human violence.

"This is an important book. . . . I doubt if much will be written about the subjects in the next ten years that does not build on it, follow out some of its leads, or try to refute it."

—Robert Jervis, Columbia University

Cloth \$27.95 ISBN 0-691-02794-3 *Due March*

## The Stakeholder Society

Bruce Ackerman and Anne Alstott

In this thought-provoking book the authors propose an eighty thousand dollar grant for every qualifying young adult. The "plan is a clever remedy for inequalities of wealth, but its really stunning contribution to policy is the way it underwrites people's success. **This is welfare reform as it should be.**"  
—Deborah A. Stone

\$26.00

## Civic Education

*What Makes Students Learn*

Richard G. Niemi and Jane Junn

"In this timely and persuasive book, Niemi and Junn provide the best evidence to date that civic education does make a difference

in political learning and that certain curricular aspects facilitate that learning. A first-rate achievement."  
—M. Kent Jennings

\$27.50

## Worlds Apart

*Why Poverty Persists in Rural America*

Cynthia M. Duncan

Foreword by Robert Coles

"This is an important book for anyone interested in poverty. Duncan goes beyond statistical analysis and uses personal interviews to give us insight into how communities deal with poverty and its associated problems."  
—Gary D. Sandefur

\$27.50

## Beyond Right and Left

*Democratic Elitism in Mosca and Gramsci*

Maurice A. Finocchiaro

In this provocative book, Maurice Finocchiaro argues that the representatives of the Right and the Left are closer to each other than is commonly supposed and that, in fact, they share the same political tradition of democratic elitism. His "central claims are **staggeringly original**, and he defends them with audacity and brilliance."  
—Joseph Femia

\$32.50

## Law and School Reform

*Six Strategies for Promoting Educational Equity*

Edited by Jay P. Heubert

Foreword by Harold Howe II

Afterword by Martha Minow

"If you have ever wanted to understand the critical role that law plays in school reform, [this is] the only book I know that explains the subject, and in terms that make sense to educators and other non-lawyers."  
—Harold Howe II, from the foreword

\$40.00

## The Horizontal Society

Lawrence M. Friedman

Modern mass media—in particular, television—has radically and irretrievably altered our sense of identity and hence our social, political, and legal life, says Lawrence M. Friedman in this "thoughtful, stimulating, and well-written book."

—Kenneth L. Karst

\$29.95

## Venona

*Decoding Soviet Espionage in America*

John Earl Haynes and Harvey Klehr

"With unmatched knowledge of American communism and Soviet espionage in America, Haynes and Klehr settle some of the most persistent historical controversies of the domestic cold war."

—Richard Gid Powers

\$30.00

Available in cloth and paper

## Managing the Environment, Managing Ourselves

*A History of American Environmental Policy*

Richard N. L. Andrews

"Easily the most comprehensive history of American environmental policy I have ever seen. It will serve as an excellent reference book for policy historians, environmental historians, and environmental policy analysts."  
—Robert Paehlke

\$65.00 cloth; \$30.00 paperback

## Environmental Cancer — A Political Disease?

S. Robert Lichter and Stanley Rothman

The authors investigate the reliability of mass media reports on environmental cancer in this "fascinating and provocative book that is bound to generate interest, controversy, and debate."  
—John D. Graham

\$35.00 cloth; \$17.00 paperback

## The Tourist City

Edited by Dennis R. Judd and

Susan S. Fainstein

"Tourism is a major force on this planet, and this extraordinarily timely book will go a long way toward defining subsequent scholarship about it."

# CALIFORNIA

## Fault Lines

*Journeys into the New South Africa*

DAVID GOODMAN

Photographs by Paul Weinberg

"This is a searingly honest book by someone who really knows his subject. Goodman is sympathetic to the attempts at transformation in my beloved motherland. The message of this book applies just as easily to the United States, where the fault lines run very deep, too. And the U.S. has been trying to solve these problems a great deal longer than the new South Africa."—Archbishop Desmond Tutu

*Perspectives on Southern Africa*, \$29.95 cloth, illustrated

Art from *Fault Lines*

## Paradise Lost

*California's Experience, America's Future*

PETER SCHRAG

"No quick synopsis can do justice to the detailed analysis Schrag presents in *Paradise Lost*. The moral of the story is that contempt for government creates government that is contemptible—a moral the rest of the country should study since, metaphorically speaking, California is famously the place where the rest of us are heading."—*Boston Globe*

1998 *New York Times* Notable Books, \$14.95 paper

## Falling from Grace

*Downward Mobility in the Age of Affluence*

KATHERINE S. NEWMAN

Updated Edition—"Searches beyond the statistics of economic decline, plant closings, layoffs, and unemployment to capture the drama of human suffering at the individual level."

—*Contemporary Sociology*

Honorable Mention, C. Wright Mills Award, \$13.95 paper

## A Practical Companion to the Constitution

*How the Supreme Court Has Ruled on Issues from Abortion to Zoning*

JETHRO K. LIEBERMAN

"A remarkably illuminating guide to the way the Constitution and the Court actually work. . . . Reading this book is like being inside the Constitution."

—Nat Hentoff, Columnist, *Village Voice*

\$35.00 paper

## Bicycle Citizens

*The Political World of the Japanese Housewife*

ROBIN M. LEBLANC

With a foreword by Saskia Sassen

"A gem of a book. LeBlanc brings the women she studies to life, leading us down the side streets and back alleys of Tokyo suburbia, trundling along on a clunker bicycle, and exploring how homemakers get involved in the grassroots level of politics."

—Glenda Roberts, author of *Staying on the Line*

*A Study of the East Asian Institute, Columbia University;*

*Asia: Local Studies / Global Themes;*

\$40.00 cloth, \$14.95 paper

## Contesting Citizenship in Urban China

*Peasant Migrants, the State, and the Logic of the Market*

DOROTHY J. SOLINGER

"An outstanding work. Solinger's comprehensive treatment is likely to gain immediate attention from political scientists, sociologists, economists, and anthropologists working on China—as well as from students of migration and informal labor markets in other societies."

—Elizabeth Perry, author of *Shanghai on Strike*  
\$50.00 cloth, \$19.95 paper, illustrated

# PUBLIC INTEGRITY

*Governance is changing rapidly, and change brings compelling ethical challenges. Sponsored by the American Society for Public Administration, International City/County Management Association, and the Council of State Governments, **Public Integrity** seeks to be the touchstone journal of commentary and research on ethics and leadership for the public service. Supported by a distinguished editorial board of practitioners and scholars, **Public Integrity** publishes original, peer-reviewed articles, case studies, field reports, essays, and book reviews on the broad spectrum of ethical concerns in local, state, national and international affairs. Published by Westview Press, each issue offers insights to the ethical dimensions in the functional areas of public service as well as its substantive fields.*

## **Southern Paternalism and the American Welfare State**

**Economics, Politics, and Institutions in the South, 1865-1965**

**Lee J. Alston and Joseph P. Ferrie**

Alston and Ferrie show how the timing and extent of the growth of the American welfare state from the Civil War until the mid-1960s was influenced by the Southern agricultural elite. Before the mechanization of Southern agriculture, the rural landed interests had an economic incentive to keep labor cheap and dependent. They accomplished this through their disproportionate political power at the local, state, and national level, which enabled them to maintain a discriminatory legal environment and prevent federal interference in labor relations.

*Political Economy of Institutions and Decisions*

0-521-62210-7      Hardback      \$49.95

## **Religion in Prison**

**'Equal Rites' in a Multi-Faith Society**

**James A. Beckford and Sophie Gilliat**

This is the first in-depth study of relations between the Anglican Church and other faiths in the Prison Service Chaplaincy. It examines the increasingly controversial role of Anglican chaplains in facilitating the religious and pastoral care of the increasing population of prisoners from non-Christian backgrounds. Drawing useful contrasts with the situation in the United States, it shows how the struggle for equal opportunities in a multi-faith society is politicizing relations among the Church, the state and religious minorities in England.

0-521-62246-8      Hardback      \$54.95

## **Earth at a Crossroads**

**Paths to a Sustainable Future**

**Hartmut Bossel**

This book offers an integrated view for the development of human society within the natural environment on which it depends for support. It stresses the dynamic and interconnected nature of feedback processes, traces possible future paths of societal development and their impacts, determines their sustainability, and points at necessary changes.

## **Ageing and Social Policy in Australia**

**Allan Borowski, Sol Encel, and**

**Elizabeth Ozanne, Editors**

Foreword by **Brian Howe**

This up-to-date book reflects the breadth of research into gerontology and analyzes the major themes and issues in the area of ageing and social policy, in both an Australian context and from an international perspective. Topics discussed include unemployment, education and housing. Also considered are the influence of multiculturalism and the specific structural disadvantages faced by women and Aboriginal Australians.

**Contributors:** Allan Borowski, Terry Carney, Sol Encel, Ian L. Gardner, David Green, Jo Harrison, Karen Heycox, Anna Howe, Graeme Hugo, Hal Kendig, Robb Mason, John McCallum, Peter McDonald, Elizabeth Ozanne, Monica Pfeffer, Shirley Randell, Linda Rosenman, Donald T. Rowland, Jeni Warburton

## Shrinking the State

**The Political Underpinnings of Privatization**  
**Harvey Feigenbaum, Chris Hamnett, and Jeffrey Henig**

Privatization has spread worldwide during the 1980s and 1990s, reshaping the balance between state and market in many countries. This book provides a comparative political analysis of privatization in the UK, United States and France. The authors argue that privatization is a political phenomenon and should be analyzed as such, rather than as an economic response to the growth of the state and the cost of state provision.

0-521-63918-2 Paperback \$18.95

## Aged Care

**Old Policies, New Problems**  
**Diane Gibson**

The aging of the population is a demographic phenomenon, a social problem and a policy issue. The numbers of aged and the cost of supporting and caring for them are increasing, as is the feminization of aging. Diane Gibson provides a broad overview of the issues and policy responses worldwide, and an in-depth study of Australia — a country with typical problems and some world-leading solutions. She also offers a more conceptual look at theoretical implications and practical consequences.

## Bacon: The History of the Reign of King Henry VII

**Brian Vickers, Editor**

This is a major new student edition of the text described as "the first modern classic of English history." Francis Bacon's insight into human motives, his life-long experience of politics and government, and his remarkable literary skills, render this *History of the Reign of King Henry VII* a major work of English literature and an important document in the history of political thought. The edition also includes other relevant writings by Bacon, generous editorial footnotes explaining the historical and political issues of the period, and a substantial glossary.

## The Politics of Postmodernity

**James Good and Irving Velody, Editors**

This volume explores the currently dominant notion of postmodernity, both in the sense of a historical phase that succeeds modernity, and as a form of knowledge critical of modernist thought. It contains essays from outstanding thinkers in anthropology, history, gender studies, philosophy and political philosophy and sociology, and investigates the political outcomes in the shift from modernity to postmodernity. A special feature of the volume is its focus on the changing social relationships and identities of class, nation, gender and kinship.

**Contributors:** James Good, Irving Velody, Zygmunt Bauman, Geoffrey Hawthorn, Camilla Lund, Quentin Skinner, David Cooper, Raymond Plant, Diana Coole, Judith Squires, Herminio Martins, Marilyn Srathern, Roy Boyne

## Democratic Choice and Taxation

A Theoretical and Empirical Analysis

**Walter Hettich and Stanley L. Winer**

The authors examine how tax policies and tax systems arise out of democratic choices. The emphasis on voting behavior sets their work apart from other research on public finance. They find that democratic institutions yield tax systems that follow predictable patterns. The analysis is applied to the United States in a general equilibrium model. Theory is also linked to fact through statistical research on national and state governments in the U.S. and Canada.

0-521-62291-3      Hardback      \$59.95

## Globalization, Human Rights and Labour Law in Pacific Asia

**Anthony Woodiwiss**

*"In excellent case studies of the Philippines, Hong Kong, Singapore, and Malaysia, the author treats postcolonial paternalistic labor policies as a healthy form of 'enforceable benevolence.' His study will contribute to greater appreciation of Asian values for a select audience of academics."*

0-521-62883-0      Paperback      \$24.95

## Equal Freedom and Utility

Herbert Spencer's Liberal Utilitarianism

**D. Weinstein**

This rich and provocative study is the first to examine Herbert Spencer's critical role in the development of liberal utilitarian moral and political philosophy in the nineteenth century, as well as the success of his version of it. While several scholars correctly see Mill as a founder of liberal utilitarianism, none have appreciated Spencer's equally important formative role. Weinstein reinterprets Spencer's version of liberal utilitarianism and illustrates that his moral and political thought exhibits greater systematic integrity than received views of his thought acknowledge.

0-521-62264-6      Hardback      \$69.95

## Blood Sacrifice and the Nation

Totem Rituals and the American Flag

**Carolyn Marvin and David Ingle**

The authors argue that American patriotism is a civil religion organized around a sacred flag, whose followers engage in periodic blood sacrifice of their own children to unify the group. Using an anthropological theory, this groundbreaking book presents and explains the ritual sacrifices and regeneration that constitute American nationalism, the factors making particular elections or wars successful or unsuccessful rituals, the role of the mass media in the process, and the sense of malaise that has pervaded American society during the post-World War II period.

0-521-62609-9      Paperback      \$27.95

## Liberalism, Equality, and Cultural Oppression

**Andrew Kernohan**

*"Kernohan makes out a strong and daring case that the liberal state should not be neutral regarding people's conceptions of the good but should favor an egalitarian ethic and actively promote it within popular political culture. Socialists with this view of the role of the state have usually also been critics of liberalism per se. In this respect they have been like conservative counterparts who agree that the state should avoid value neutrality, but differ about what values it should favor. By contrast, Kernohan's challenge is internal to liberalism. It thus cannot be dismissed by liberal theorists. The book will surely spark a lively and important debate."*

## The Theory of Institutional Design

**Robert E. Goodin, Editor**

Problems of institutional design and redesign, structuring and restructuring, acquired particular poignancy through recent developments from eastern Europe to southern Africa. At the same time, scholars in each of several disciplines — political science, sociology, history and philosophy — have increasingly come to appreciate the important independent role that is, and should be, played by institutional factors in social life. In this volume, disparate theories of institutional design given by each of those several disciplines are synthesized and their peculiar power illustrated.

**Contributors:** Geoffrey Brennan, Bruce Talbot Coram, John S. Dryzek, Robert E. Goodin, Russell Hardin, Rudolf Klein, David Luban, Claus Offe, Philip Pettit, Kenneth A. Shepsle

One of the most widely used constitutional law textbooks is back in a new edition!

# AMERICAN CONSTITUTIONAL LAW

**Louis Fisher**

*Senior Specialist in Separation of Powers,  
Congressional Research Service of the Library of Congress*

*American Constitutional Law* has been widely used in political science classrooms because it is the only book that develops constitutional law in the comprehensive sense. Fisher covers not just the results of court decisions but also the efforts of legislatures, executives, the states, and the general public. While most constitutional law books focus only on case law and judicial pronouncements, this book illustrates how both judicial and non-judicial forces shape constitutional law. Presenting a broad range of cases — rather than merely focusing on landmark cases — allows the reader to understand the development of constitutional law. *American Constitutional Law* is available in a one-volume edition as well as a two-volume paperback edition. The two paperback volumes can be used together or separately. Volume One comprises chapters 1-9 and 19 of the hardback edition, and Volume Two contains chapters 10-19.

Jan. 1999 one volume 1312 pp hardback classroom adoption price \$60.00  
volume one: 592 pp paper \$30.00 / volume two: 816 pp paper \$35.00

## **International Law for Undergraduates**

Valerie Epps  
*Suffolk University Law School*

This new introductory textbook in international law combines narrative sections explaining the basic law and cases, questions, and problems that allow students to apply what they have learned to a variety of situations. Also available is a collection of basic documents designed to be used with *International Law for Undergraduates*.

1998 424 pp paper \$34.95  
1998 Documentary Supplement 232 pp paper \$20.00

## **Ethics and Character**

*The Pursuit of Democratic Virtues*  
William D. Richardson, J. Michael Martinez, and  
Kerry R. Stewart, editors

This unique text examines the debate over the role of “character” and “virtue” in democratic leadership and the relationship between these qualities and a healthy democracy, taking this discussion beyond the usual single-discipline perspective into a cross-disciplinary approach.

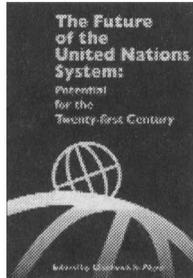

March 1999 352 pp paper \$27.95

# United Nations and World Concerns

## The Future of the United Nations System: Potential for the Twenty-first Century

A United Nations University Publication

All desiring to be challenged to think creatively about the potential for coping with a growing array of global problems will find this volume to be stimulating reading. Penetrating analyses of past and present

experience in a broad array of "laboratories" in the United Nations system are pointed toward illuminating future potential. Coverage encompasses the prevention of violence; creating economic and social structures that sustain human fulfilment; and peace education. It also presents an extensive collection of recommendations for new institutions and programmes.

E. 98.III.A.12 9280809733 460pp. \$29.95

## The United Nations and Nuclear Non-proliferation

The Nuclear Non-Proliferation Treaty represents the cornerstone of efforts by the international community to prevent the proliferation of nuclear weapons while ensuring that the benefits of nuclear technology are readily available for peaceful purposes. This publication details the Treaty and brings together, for the first time, key documents relating to the nuclear non-proliferation issue. Complementing the documents are a detailed chronology and an overview of the key role played by the United Nations and its Member States in meeting the new and intrinsic challenges of the nuclear age.

E. 95.I.17 9211005574 200pp. \$29.95

## The Changing Nature of Democracy

A United Nations University Publication

A number of democratic experiments are in jeopardy, and democracy has not been able to meet all the demands that confront these transitional societies. In some circumstances, democratization has proven to be a politically destabilizing and socially uncomfortable process. *The Changing Nature of Democracy* highlights the limitations and tensions of this worldwide movement. It addresses the challenges to democracy in established democracies and in transitional societies and also discusses democracy in relation to the media and communication, globalization, religion, culture, and civil society.

E. 98.III.A.26 9280810057 294pp. \$24.95

## Shaping and Signaling Presidential Policy

The National Security Decision  
Making of Eisenhower and Kennedy

MEENA BOSE

The Cold War presidencies of Eisenhower and Kennedy offer distinct examples of how different approaches to policy making and policy communication affect political outcomes. "With a sure command of both the theoretical literature and the empirical material, Bose gives us a valuable analysis of how the decision-making styles of Eisenhower and Kennedy influenced their national security policies."—Robert Jervis, Columbia University. 224 pp. Bib. Index. \$29.95

## The Foreign Policies of Lyndon Johnson

Beyond Vietnam

EDITED BY H. W. BRANDS

American political scholarship since the 1970s has so focused on Vietnam that little attention has been paid to Johnson's foreign policy in other regions. Brands has gathered the work of some of the most important scholars addressing regions other than Vietnam. "The research is excellent and the writing is skillful. LBJ emerges as a president who continues to surprise us."—David M. Barrett, Villanova University, editor of *Lyndon B. Johnson's Vietnam Papers: A Documentary Collection*. 224 pp. Index. Bib. \$29.95

## Games Advisors Play

Foreign Policy in the Nixon and Carter Administrations

JEAN A. GARRISON

Using the internal policy debate over arms control to trace the influence advisors have on specific decisions, the author compares the power games played by foreign policy advisors in Nixon's hierarchical system to the conditions that prevailed in Carter's more open advisory system.

"... a fascinating exercise in focused comparison, a book that any student of the presidency can profit from reading."—Fred I. Greenstein, Princeton University. 224 pp. Bib. Index. \$34.95

## The Managerial Presidency

Second Edition

EDITED BY JAMES P. PFIFFNER

In this new and significantly updated edition of *The Managerial Presidency*, Pfiffner brings together both classic analyses and more recent treatments of the president's ability to manage the government. Excellent for classroom use. 384 pp. 2 tables. \$29.95 cloth; \$16.95 paper

## New in Paperback

### Battles on the Bench

Conflict Inside the Supreme Court

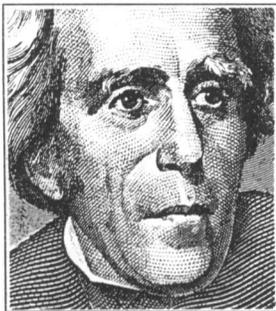

Phillip J. Cooper

"A thought-provoking volume with many fresh insights." ~ *AMERICAN HISTORICAL REVIEW*. "An accessible, anecdotal overview of the justices' relationships with one another. Cooper recounts the details with great zest." ~ *PRESIDENTIAL STUDIES QUARTERLY*. 232 pages. \$35.00 cloth, \$16.95 paper

### The Presidency of Andrew Jackson

Donald B. Cole

"Cole nimbly and authoritatively traverses one of the most dynamic and colourful administrations in American history. Thoroughly researched, original in conception, imaginatively probing in analysis, and fascinating in detail." ~ *TLS*. 352 pages. \$29.95 cloth, \$15.95 paper

### Publisher of these series:

American Political Thought  
American Presidency Series  
Studies in Government and Public Policy  
Landmark Law Cases and American Society

### The Reagan Effect

Economics and Presidential Leadership

John W. Sloan

"Transcending ideological bias, Sloan has written an utterly convincing history of the Reagan Revolution. Sloan's Reagan is a detached and uninformed leader who adopted a supply-side economics that did not work and who championed a conservative ideology that he regularly violated. Nonetheless, Sloan lucidly argues, Reagan contributed significantly to the low inflation and revived competitiveness that delivered the remarkable prosperity of the past fifteen years. A must read." ~ ALLEN J. MATUSOW, author of *Nixon's Economy*. 320 pages. \$35.00

Available at bookstores or from the press  
Visa and MasterCard accepted  
Phone 785-864-4155, Fax 785-864-4586

### Culture Wars and Local Politics

Edited by Elaine B. Sharp

"This path-breaking volume offers important theoretical analyses and case studies of how today's culture wars are reshaping the terrain of local politics." ~ STEVEN P. ERIE, author of *Rainbow's End*. "A much-needed, overdue book on a topic of immense importance." ~ DENNIS JUDD, author of *City Politics*. 264 pages. \$35.00 cloth, \$16.95 paper

### When the Nazis Came to Skokie

Freedom for Speech We Hate

Philippa Strum

"Strum succeeds brilliantly in telling the two stories of Skokie—the constitutional struggle over free speech, and the human agony and conflict that permeated it. A simply wonderful book." ~ NORMAN DORSEN, Stokes Professor, NYU, and past president, ACLU. 184 pages. \$25.00 cloth, \$12.95 paper

### The Pullman Case

The Clash of Labor and Capital in Industrial America

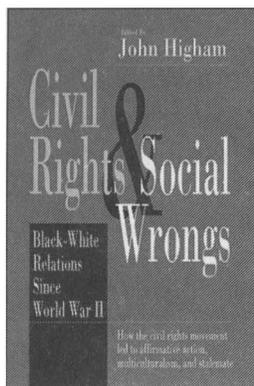

David Ray Papke

"*In re Debs* is a landmark by any standards. It set certain key terms of federal labor law and signalled the burgeoning involvement of federal courts in suppressing railway strikes and boycotts. Papke explores these themes in a clear, rich and provocative fashion." ~ WILLIAM E. FORBATH, author of *Law and the Shaping of the American Labor Movement*. 136 pages. \$25.00 cloth, \$12.95 paper

**University Press of Kansas**

2501 West 15th Street • Lawrence KS 66049

NEW IN PAPERBACK  
**Civil Rights and Social Wrongs**

*Black-White Relations Since World War II*

EDITED BY JOHN HIGHAM

"This collection of ten essays by scholars from various disciplines constitutes a thoughtful and nonpolemical treatment of topics that too often are discussed in ways that generate more heat than light. The extraordinarily perceptive introduction and conclusion by Higham, coupled with the provocative contributions of the essayists, provide a remarkably comprehensive and concise assessment of the complex path traveled by the civil rights movement since 1954."

—Willard B. Gatewood,  
*Journal of Southern History*

232 pages \$18.95 paper

Published in Association with the Balch Institute for Ethnic Studies

## Taking the Wheel

*Autoparts Firms and the Political Economy of Industrialization in Brazil*

CAREN ADDIS

"This is a very important, insightful, and well-crafted book. . . . Brazil's auto parts firms emerge as the key to Brazil's export success in this sector."

—Gary Gereffi, Duke University

272 pages 4 illustrations \$18.95 paper

## What Kind of Democracy? What Kind of Market?

*Latin America in the Age of Neoliberalism*

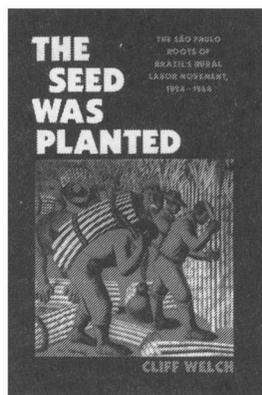

EDITED BY PHILIP OXHORN AND GRACIELA DUCATENZEILER

"This timely contribution to the study of Latin American political economy offers provocative and controversial analyses of democratization in the context of deepening poverty, egregious inequalities, and rising political violence associated with neoliberal, market-oriented economic restructuring."

—William C. Smith, University of Miami

Contributors are Luiz Carlos Bresser Pereira, Yoshiaki Nakano, Werner Baer, Claudio Paiva, Jorge Schvarzer, Jean-François Prud'homme, Juan Alberto Fuentes K., Manuel Barrera, Francisco Zapata, and Francisco Weffort.

280 pages \$17.95 paper

## The Seed Was Planted

*The São Paulo Roots of Brazil's Rural Labor Movement, 1924-1964*

CLIFF WELCH

"*The Seed Was Planted* makes an outstanding contribution to a new political history of modern Brazil by challenging the notion that rural workers were less than full participants in the politics of the Vargas era."

—John D. French, Duke University

448 pages \$25.00 paper

Paperback for sale in U.S. and Canada only

## Post-Communist Cultural Studies

THOMAS CUSHMAN, GENERAL EDITOR

### The Culture of Lies

*Antipolitical Essays*

DUBRAVKA UGRESIC

TRANSLATED BY CELIA HAWKESWORTH

"These essays . . . will enrage and sadden you and then fill you with disgust toward narrow-minded nationalism. Ugresic defends her viewpoint skillfully and confidently, refusing to label herself with a 'post-Yugoslav' nationality."

—*Library Journal*

288 pages \$18.95 paper For sale in U.S. only

### Gender Politics in the Western Balkans

*Women, Society, and Politics in Yugoslavia and the Yugoslav Successor States*

EDITED BY SABRINA P. RAMET

The first book in English to discuss the politics of gender relations in both socialist Yugoslavia and its post-socialist successor states. Contributors are Andrei Simic, Thomas A. Emmert, Vlasta Jalusic, Barbara Jancar-Webster, Tanja Pavlovic, Zarana Papic, Julie Mertus, Obrad Kesic, Regan Ralph, Dorothy Thomas, Gordana Crnkovic, Mart Bax, Branka Magas, and Sabrina Ramet.

320 pages \$18.95 paper

### Burden of Dreams

*History and Identity in Post-Soviet Ukraine*

CATHERINE WANNER

"Wanner offers a fascinating look at the realities of life in Soviet and post-Soviet society. Her ambitious synthesis of theory and case study sets the book apart from most of the work being done in this field. *Burden of Dreams* will be valuable to students and scholars in anthropology, sociology, political science, and post-Communist studies."

—Jane Dawson, University of Oregon

## DEBATING DEMOCRACY'S DISCONTENT

Essays on American Politics, Law, and Public Philosophy  
 Edited by ANITA L. ALLEN and MILTON C. REGAN, Jr.

Here, a distinguished cast of some of the world's finest political and legal theorists offer criticisms of Michael Sandel's *Democracy's Discontent*, a recent, popular, and influential call for a more moralistic democracy. In this collection, Sandel's liberal and feminist critics square off with his communitarian and civic republican sympathizers in a lively and wide-ranging discussion that spans constitutional law, culture, and political economy.

1998 368 pp. paper \$19.95 cloth \$76.00

## THE WEB OF POLITICS

The Internet's Impact on the American Political System  
 RICHARD DAVIS

"Scores of commentators have conjured up visions of the dramatic effects the Internet is bound to have on our political life. But Richard Davis, in a lucid and detailed analysis based on far-reaching evidence, demolishes any expectations that the new technology, in and of itself, will transform American politics..."—Timothy Cook, Williams College.

1999 240 pp. paper \$18.95 cloth \$39.95

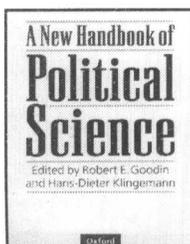

Named an Outstanding Academic Book of 1996 by Choice

## THE PRACTICE OF POWER

US Relations with China since 1949  
 ROSEMARY FOOT

"The Practice of Power makes a major contribution to our understanding of Sino-American relations over the years....[T]he book excels in its primary objective of reconstructing and reinterpreting Washington's evolving positions on key issues in the relationship with Beijing, and as such it deserves a wide audience."—*American Political Science Review*.

1995 (paper 1997) 304 pp. paper \$19.95

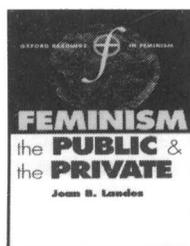

New in paperback!  
 Chosen as an Outstanding Academic Book of 1997 by Choice

## A NEW HANDBOOK OF POLITICAL SCIENCE

Edited by ROBERT E. GOODIN and HANS-DIETER KLINGEMANN

"In coverage of the discipline, historical depth, and international perspective, this constitutes an exceptionally comprehensive survey of political science....A definitive reference work in the field."—*Choice*.

1996 (paper 1998) 864 pp.; 9 linecuts paper \$29.95 cloth \$75.00

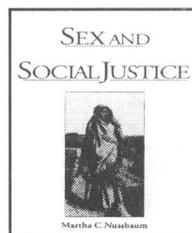

## FEMINISM, THE PUBLIC, AND THE PRIVATE

Edited by JOAN B. LANDES

This volume presents the results of a multi-disciplinary feminist exploration of the distinction between public and private. Contributors demonstrate the significance of the distinction in feminist theory, its articulation in the modern and late-modern public spheres, and its impact upon identity politics as experienced

within feminism in recent years.  
 (Oxford Readings in Feminism)

1998 520 pp. paper \$19.95 cloth \$75.00

## SEX AND SOCIAL JUSTICE

MARTHA C. NUSSBAUM

"An admirably objective and insightful work on gender inequality....With its remarkable scholarship and comprehensive research, this work is both the ultimate primer on, and a major advance in, feminist thought."  
 —*Publishers Weekly*.

"A stunning defense of justice....A brilliant book."—*Kirkus Reviews*.  
 1999 488 pp. \$35.00

New in paperback!

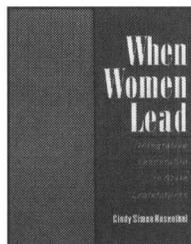

Recipient of the 1998 Outstanding Book Award from the National Conference of Black Political Scientists

## W. E. B. DU BOIS AND AMERICAN POLITICAL THOUGHT

Fabianism and the Color Line  
 ADOLPH L. REED, Jr.

"[Reed's] stubborn belief in class politics, his fury at the self-satisfaction of intellectuals, and his repudiation of postmodern fashion...make him a rare tonic."—*The Nation*.

1997 (paper 1999) 296 pp. paper \$17.95 cloth \$38.00

## WHEN WOMEN LEAD

Integrative Leadership in State Legislatures  
 CINDY SIMON ROSENTHAL

"When Women Lead beautifully captures the next wave of research on women officeholders. In its pages is solid evidence of the difference it makes to have women among the leadership ranks of legislative bodies across the nation.

Scholars of legislatures, leadership, women and

politics, and the whole of American politics will want to become acquainted with this book."—Sue Thomas, Georgetown University.

1998 256 pp.; 4 linecuts paper \$18.95 cloth \$49.95

Forthcoming!

## ACCIDENTAL LOGICS

The Dynamics of Change in the Health Care Arena in the United States, Britain, and Canada  
 CAROLYN HUGHES TUOHY

"Combining a mastery of empirical data and of theory, Professor Tuohy has produced the most sophisticated and illuminating account yet of how and why nations differ in their health policies. An indispensable read for health policy specialists, it is also an invaluable addition to the comparativist literature."—Rudolf Klein, Senior Associate, King's Fund, London.

## THEORIZING NATIONALISM

**Ronald Beiner, editor**

Directly addresses the normative dimensions of nationalism. A sequel to *Theorizing Citizenship*, this volume provides theoretical and philosophical clarity to an examination of the political appeal and normative status of nationalist claims. In addition, it discusses the theoretical demonstrable "right" to collective self-determination; the relationship between nationalism and "modernity"; the reconciling of nationalism and liberalism; the theoretically legitimate distinction between so-called "civic" and "ethnic" versions of nationalism; and the "existential" attractiveness of nationalism.

352 pages • \$21.95 paperback • ISBN 0-7914-4066-4

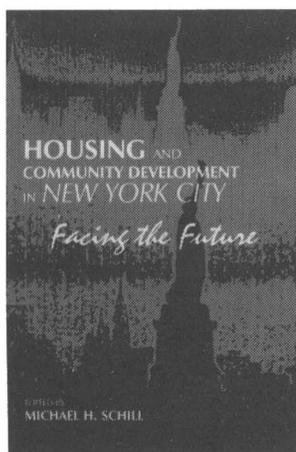

## REINVENTING LEADERSHIP

**Making the Connection  
Between Politics and Business**

**Barbara Kellerman**

"A master of leadership studies, Barbara Kellerman provides here a sweeping, deeply insightful and groundbreaking synthesis of leadership in politics and business during the last five decades. Delightfully written, *Reinventing Leadership* is an extraordinary achievement." — Ronald A. Heifetz, Director of the Leadership Education Project, John F. Kennedy School of Government, Harvard University

268 pages • \$21.95 paperback • ISBN 0-7914-4072-9

## HOUSING AND COMMUNITY DEVELOPMENT IN NEW YORK CITY

**Facing the Future**

**Michael H. Schill, editor**

Leading housing scholars and practitioners provide a comprehensive, up-to-date description and analysis of housing and community development policy as they examine one of America's largest and most important cities. New York City's experience provides useful lessons for other municipalities on both the opportunities and pitfalls for government intervention in the housing market.

277 pages • \$21.95 paperback • ISBN 0-7914-4040-0

# NEW FROM COLUMBIA

## The Columbia Guide to the Cold War

Edited by Michael Kort

"A valuable encyclopedia on the Cold War—one of the few available—containing a wealth of information not otherwise available in one place. A very useful approach to the subject." —*Kirkus Reviews*

420 pages • \$40.00 cloth

## The Politics of Serbia in the 1990s

Robert Thomas

Thomas spotlights the key political players in the chronic factionalism that has frustrated any attempt to unseat Slobodan Milosevic.

288 pages • \$18.50 paper

## National Collective Identity

Social Constructs and International Systems

Rodney Bruce Hall

"Rich with historical information, brilliant insights, and important implications for international relations and comparative theory."

—Yale H. Ferguson, Rutgers University

392 pages • \$18.50 paper

## The Middle East Dilemma

The Politics and Economics

of Arab Integration

Edited by Michael C. Hudson

"A breath of fresh analytical air... Essential reading for any serious student of international relations in the Middle East."

—Rex Brynen, McGill University

368 pages • \$17.50 paper

## The Presidency and the Politics of Racial Inequality

Nation-Keeping from 1831 to 1965

Russell L. Riley

"Challenges the received wisdom that heroic executives have advanced racial justice...."

Russell Riley finds that presidents—even those credited with championing racial equality—often feel compelled to restrain, and at time oppress, crusaders for political and social reform." —Sidney M. Milkis, author of *The President and the Parties: The Transformation of the American Party System Since the New Deal*

400 pages • \$22.50 paper

Power, Conflict, and Democracy: American Politics into the 21st Century

## The Politics of Equality

Hubert Humphrey and the African American Freedom Struggle, 1945-1978

Timothy N. Thurber

"A wonderful book about a fascinating figure... *The Politics of Equality* represents political biography at its very best." —Steve Gillon, University of Oklahoma

384 pages • \$19.50 paper

Columbia Studies in Contemporary American History

## Counting the Public In

Presidents, Public Opinion, and Foreign Policy

Douglas C. Foyle

From Eisenhower to Clinton, Foyle illustrates how each successive president's respective beliefs about the value of public opinion affected foreign policy decisions from the Formosa Straits crisis to intervention in Bosnia.

368 pages • \$20.50 paper

## Eco-Wars

Political Campaigns and Social Movements

Ronald T. Libby

"A deft blending of interest group and social movement literature and original scholarship displaying how intersecting both fields informs each in turn."

—Laura R. Woliver, author of *From Outrage to Protest: The Policies of Grass Roots Dissent*

***“We need to know about the past in order to establish a culture of respect for human rights.”***

**–From the Foreword by Archbishop Desmond Tutu**

# **Truth and Reconciliation Commission of South Africa Report**

## **Truth and Reconciliation Commission Foreword by Archbishop Desmond Tutu**

South Africa's violent and complex history is chronicled in the five-volume *Truth and Reconciliation of South Africa Report*, a chilling record of the hearings that exposed the atrocities perpetrated by the South African apartheid government and opposing parties over the thirty-four year period of 1960 to 1994.

### **CONTENTS**

**Volume 1:** Chairman's Foreword, written by Nobel laureate Desmond Tutu • Outlines the mandate and procedures followed by the Commission

**Volume 2:** National overview of South African government and opposition parties • Special investigations on chemical and biological warfare and The Mandela Football Club

**Volume 3:** Regional profiles • Chronology of South African history since 1899.

**Volume 4:** Summary of hearings on the country's institutions (business and labor, the faith community, the legal profession, the health sector, the media, and prisons) • Special reports on women and children

**Volume 5:** An analysis of gross violations of human rights • Report on the victims of violations and the consequences for the perpetrators • Amnesty and reparation • Reconciliation • Index of statutes and cases • Index of principle references

A synopsis chart outlining the contents of the volumes, a detailed map of South Africa, and index have been added to the report, enhancing its value for educators and scholars.

## NEW IN POLITICAL SCIENCE

### The Wilsonian Century

U.S. Foreign Policy since 1900  
Frank Ninkovich

"The Wilsonian Century is one of those rare books that specialists can admire and general readers can enjoy. It combines erudite analysis with a clear, detailed, and engaging narrative of U.S. internationalism from Theodore Roosevelt to Bill Clinton. The global society of the approaching 21st century is complicated and troubling, but it will be more comprehensible to those who read this strikingly original book."  
— Chester Pach, coauthor of *The Presidency of Dwight D. Eisenhower*  
**Cloth \$27.50**

### Aid to Africa

So Much To Do, So Little Done  
Carol Lancaster

"This is an informative blend of scholarship and analysis of an increasingly troubling problem: why development has lagged in Africa despite the relatively large flow of aid to the region. This is the first extended study to focus squarely on the performance of the governments and international institutions providing the aid as a key part of the answer." —Anthony Lake, Former U. S. National Security Advisor  
**Paper \$22.00**

### The Constitutional Underclass

Gays, Lesbians, and the Failure of Class-Based Equal Protection  
Evan Gerstmann

"By combining legal analysis of the equal protection doctrine with on-the-ground interviews with participants in the debate over a constitutional amendment to deny "protected status" to gays and lesbians, Gerstmann provides a brilliant example of how the idea of equality can be turned against itself."  
—Paul Sniderman, editor of *The Clash of Rights: Liberty, Equality, and Legitimacy in Pluralist Democracy*  
**Paper \$15.00**

### American Evangelicalism

Embattled and Thriving  
Christian Smith

"Finally, a book on evangelical Protestant Americans by someone who actually knows they aren't ignorant zealots. Until you have read this fine study, you are not qualified to discuss religion in contemporary America." —Rodney Stark, author of *The Rise of Christianity: A Sociologist Reconsiders History*  
**Paper \$16.00**

### Supreme Court Decision-Making

New Institutional Approaches  
Edited by Cornell W. Clayton and Howard Gillman

"This is a very valuable volume. It illuminates some of the most important issues in the field of public law, and in the social sciences, by providing examples of some of the leading scholarship." —Rogers Smith, Yale University  
**Paper \$19.00**

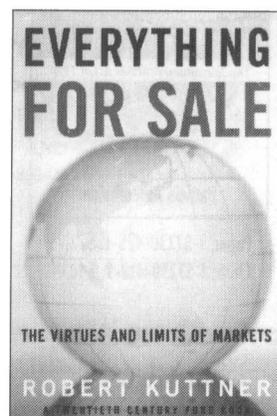

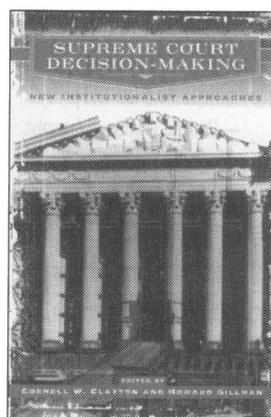

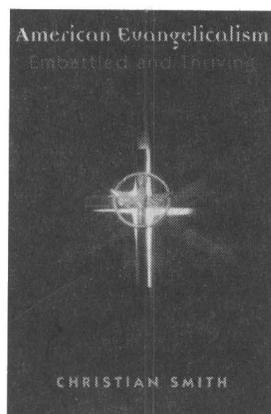

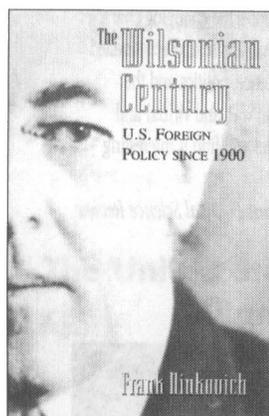

Now in Paper

### Everything for Sale

The Virtues and Limits of Markets

Robert Kuttner

"The best survey of the limits of free markets that we have. . . . A much needed plea for pragmatism: Take from free markets what is good and do not hesitate to recognize what is bad."  
— Jeff Madrick, *Los Angeles Times*  
**Paper \$15.00**

## Who Speaks for America?

*Why Democracy Matters in Foreign Policy*

ERIC ALTERMAN

Eric Alterman argues that the vast majority of Americans have no voice in the conduct of U.S. foreign policy. With policymakers answerable to a small coterie of self-appointed experts, corporate lobbyists, self-interested parties, and the elite media, the U.S. foreign policy operates not as the instrument of a democracy, but of a "pseudo-democracy."  
"[W]ell-reasoned and thought-provoking."—*Library Journal*  
\$25.00

## Capital Flows and Financial Crises

EDITED BY MILES KAHLER

The authors examine private capital flows and their consequences in Latin America, Pacific Asia, and East Europe, placing current cycles of lending in historical perspective, and evaluating strategies to counter capital instability. A COUNCIL ON FOREIGN RELATIONS BOOK. 44 tables, 54 charts/graphs. \$49.95 cloth, \$19.95 paper

## Rethinking Liberal Equality

*From a "Utopian" Point of View*

ANDREW LEVINE

"*Rethinking Liberal Equality* is a shrewd and astute attack on prevailing liberal egalitarian theories of social justice. Drawing on left-wing traditions of thought, Andrew Levine makes genuine progress on fundamental issues of distributive justice."—Richard Arneson, University of California, San Diego. 1 table. \$32.50

AT BOOKSTORES,  
OR CALL (607) 277-2211

## Legally Wed

*Same-Sex Marriage and the Constitution*

With a New Preface

MARK STRASSER

**NEW IN PAPER!** In a new preface, Mark Strasser discusses recent developments in the legal battle over same-sex marriages in Hawaii. "Strasser sets forth many strong legal and moral arguments for opposing the organized right-wing anti-gay anti-marriage campaign now raging state by state."—Evan Wolfson, Director of the Marriage Project of the Lambda Legal Defense and Education Fund  
\$16.95

## A Case for Conservatism

JOHN KEKES

In his recent book *Against Liberalism*, John Kekes argued that liberalism as a political system is doomed to failure by its internal inconsistencies. In this companion volume, he makes a compelling case for conservatism as the best alternative. "[Kekes] makes his argument with perspicacity, logical exegesis, and compelling argumentation."—Herbert London. \$29.95. Also by the author: *Against Liberalism*, \$16.95 paper

## Institutional Designs for a Complex World

*Bargaining, Linkages, and Nesting*

EDITED BY  
VINOD K. AGGARWAL

"A perceptive theoretical analysis of the politics of coordination within and among international institutions. The book includes richly detailed case studies of the politics of institutional design, innovation, and coordination involving several major European and Euro-American financial, trade, and military institutions."—Joseph M. Grieco, Duke University. 4 tables, 24 graphs  
\$45.00 cloth, \$17.95 paper

## The Future of Us All

*Race and Neighborhood Politics in New York City*

ROGER SANJEK

"For more than a decade, Roger Sanjek immersed himself in the life of a New York City neighborhood on the leading edge of racial and ethnic transition. This rich and readable account of community life . . . is the result."—Frances Fox Piven, author of *The Breaking of the American Social Compact*  
20 photos. \$35.00

## The American Dream in Black and White

*The Clarence Thomas Hearings*

JANE FLAX

"The Senate confirmation hearings offer us an extraordinarily rich text on race, gender, class, law, and spectacle. . . . [Jane Flax's] detailed and thoroughly persuasive book will give readers a more thoughtful view of the hearings as well as a better understanding of the structures and fissures in American politics."—Anne Norton, University of Pennsylvania. \$27.50

## The Cultural Dynamics of Democratization in Spain

PETER McDONOUGH,  
SAMUEL H. BARNES, AND  
ANTONIO LÓPEZ-PINA

This book examines Spain's transition to democracy. Drawing on national surveys, the authors ask: What is the basis of the new regime's political legitimacy? How did Spanish democracy move from the conservative center-right coalition that engineered the transition to the socialist government that consolidated it? And why is political participation so low? 34 tables, 38 charts/graphs  
\$39.95

## CORNELL STUDIES IN POLITICAL ECONOMY

a series edited by  
Peter J. Katzenstein

### Regime Shift

*Comparative Dynamics of the Japanese Political Economy*

T. J. PEMPEL

When the Liberal Democratic Party lost power in the early 1990s, Japan's once stellar economy suffered stagnation and collapse. T. J. Pempel traces the political dynamics of the country to determine the reasons for these changes and the extent to which its political and economic systems have been permanently altered.  
\$49.95 cloth, \$17.95 paper

### Collective Action in East Asia

*How Ruling Parties Shape Industrial Policy*

GREGORY W. NOBLE

Based on interviews and original research in the local languages, this book offers a close look at the impact of industrial policies on collective action in East Asia—in Japan and Taiwan and, more briefly, in South Korea. It combines case studies with analyses of the political, bureaucratic, and industrial environments in which policy is crafted. 4 charts/graphs. \$37.50

### The Populist Persuasion

*An American History*

Revised Edition

MICHAEL KAZIN

"Michael Kazin enables us to begin to understand the way in which populism has changed from a politics of the left to a politics of the right. . . . [A] splendid and timely book."  
—Thomas Bender, *The Nation*  
9 photos. \$17.95 paper

Linda G. Mills

**A Pentchant for Prejudice  
Unraveling Bias in Judicial  
Decision-Making**

Based on a unique study of the decisions of Social Security judges, Mills explores the role of bias in judicial decision making.

### Announcing the Electronic Hallway Journal

**T**he Electronic Hallway is pleased to offer The Electronic Hallway Journal-an online forum for peer reviewed cases in the field of public administration and policy.

**If you've recently written a case and are searching for a publication venue, now is the time to submit your work!**

**Look for our first edition on the Web in July 1999.**

The Electronic Hallway Journal is a product of the advice and support of faculty, deans, and directors across the country.

This journal is a branch of the Electronic Hallway Network, an Internet-based syllabus planning resource that allows you to download teaching materials instantly from the office, hotel room or any computer that accesses the Web.

Both the Electronic Hallway, and the new Hallway Journal, which are governed and edited by a six-university consortium, are available to you thanks to the support of The Pew Charitable Trusts, an increasing number of supporting schools and departments, NASPAA and the Microsoft Corporation.

# The United States and Biological Warfare

Stephen Endicott and Edward Hagerman

Secrets from the Early Cold War and Korea

## THE UNITED STATES AND BIOLOGICAL WARFARE

*Secrets from the Early Cold War and Korea*

STEPHEN ENDICOTT AND EDWARD HAGERMAN

"An exposé of a little-known and shameful episode in American military history. . . . A convincing and shockingly relevant case study of official and technological immorality."

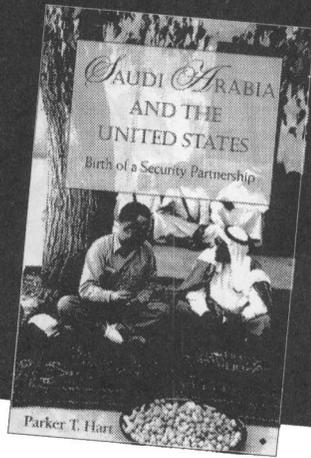

— KIRKUS REVIEWS

"This book is disturbing to an extreme degree. As prosecutors, Hagerman and Endicott present a strong case. They cannot be said to be dispassionate, but they are careful, even judicious. At a minimum their research and revelations raise questions about the possible use of biological warfare by the United States in the Korean War that must be answered before we indulge in further moral condemnation of Iraq's research and development of a germ warfare capability."

—STEPHEN E. AMBROSE

*The United States and Biological Warfare* argues persuasively, with startling evidence from both American and Chinese sources, that the United States experimented with and deployed biological weapons during the Korean War. Endicott and Hagerman explore the political and moral dimensions of this issue, asking what restraints were applied or forgotten in those years of ideological and political passion and military crisis.

304 pages, 62 b&w photos, 7 maps  
cloth \$29.95

## SAUDI ARABIA AND THE UNITED STATES

*Birth of a Security Partnership*

PARKER T. HART

"... a unique historical document about one of the key relationships we have with states of the Middle East."

—RICHARD B. PARKER

From 1944 to 1965, concluding with his ambassadorship to Saudi Arabia, Parker T. Hart played a critical role in building the U.S.-Saudi security relationship that remains to this day a key aspect of American diplomacy in the Middle East. His account sheds new light on watershed events in our diplomatic history, and his portraits of three Saudi rulers provide insights into current issues that have been politically sensitive over the long term.

Published in association with the Association for Diplomatic Studies and Training  
320 pages, 20 b&w photos, 1 map  
cloth \$35.00

## SUDAN

Contested National Identities

Ann Mosely Lesch

## THE SUDAN—CONTESTED NATIONAL IDENTITIES

ANN MOSELY LESCH

"... the first correct account of what took place . . . after independence."

—ROBERT O. COLLINS

The Sudan is torn by ethnic and religious conflict, centered on the struggle over the definition of the Sudanese nation-state. Is the Sudan primarily Arab or African by culture and ethnicity? Should the political system privilege Islamic legal codes or accord equal citizenship to persons of all faiths? Ann Mosely Lesch provides a comprehensive and even-handed analysis of the unresolved struggle for a stable political system and a unified national identity.

# The Latest Comprehensive Reference to Political Science Graduate Programs and Faculty

The new edition of **Graduate Faculty and Programs in Political Science 1998-2000**, the APSA's valuable resource for students, faculty and college counselors, is available in Spring 1998.

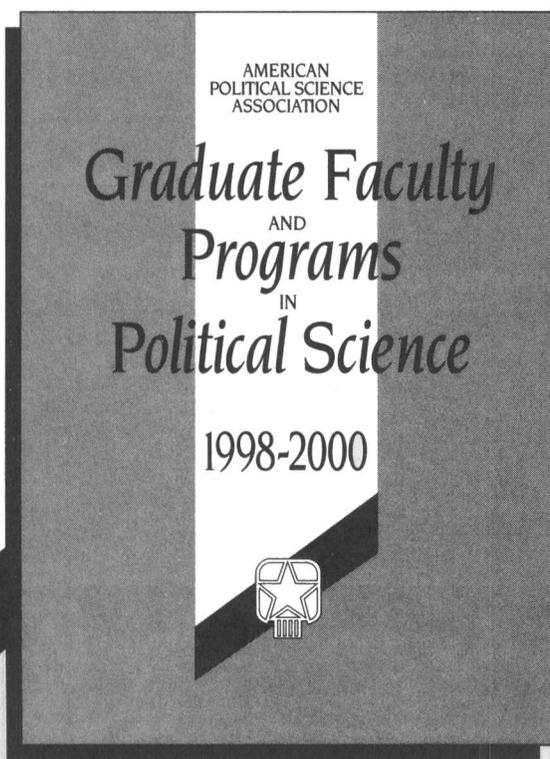

Over 400 programs are described in the directory. Graduate Programs in Britain are included for the first time along with the comprehensive listing of programs in the United States and Canada.

The entries for Ph.D. and Masters programs in political science and the associated fields of public administration, public policy and international affairs include information about the type of degree(s) awarded, tuition charges, financial aid and admission and degree requirements. Faculty for the program are listed with their major fields of specialization, degrees, telephone numbers and e-mail addresses.

The directory also has an appendix with data on the number of students in each program, the ratio of student applications to admissions and the numbers of degrees awarded along with affirmative action information. Use of the directory is facilitated by an alphabetical index of faculty and a geographical index of institutions.

Departments that are members of the Departmental Services Program may submit purchase orders.

**ALL OTHER ORDERS MUST BE PREPAID.**

Estimated  
publication date:  
March 2001

**25 fully referenced Volumes plus Index Volume**

## A MILESTONE PUBLICATION - THE FIRST SOCIAL SCIENCES' MAJOR REFERENCE WORK FOR 30 YEARS

### AVAILABLE IN PRINT AND ELECTRONICALLY!

The *International Encyclopedia of the Social & Behavioral Sciences* is the first attempt in a generation to map the social and behavioral sciences on a grand scale. Not since the publication in 1968 of the *International Encyclopedia of the Social Sciences*, edited by David L. Sills, has there been such an ambitious project to describe the state of the art in all the fields encompassed within the social and behavioral sciences.

### The content of the Encyclopedia is being shaped to reflect:

- the astonishing growth and specialization of knowledge that has occurred within the disciplines since the 1960s
- the rapid development of interdisciplinary fields in tandem with the expansion of interest in policy and applications
- the internationalization of the research endeavor in response to the dynamics of globalism
- the impact of the computer and information revolutions on theory and practice within the social and behavioral sciences
- the new web of connections between the social and behavioral sciences on the one side and the biological life sciences on the other.

The *Encyclopedia* will be an essential resource for anyone studying and teaching within the social and behavioral sciences at the start of the new century.

Be sure to visit the Encyclopedia website regularly at:  
**<http://www.elsevier.nl/locate/iesbs>**  
to keep up with developments

## New for Spring 1999

Celebrating Twenty Years of Dedication to Political Science

### **In Pursuit of the White House 2000 How We Choose Our Presidential Nominees**

EDITED BY WILLIAM G. MAYER, NORTHEASTERN UNIVERSITY

With original contributions from a team of experts, this sequel to Mayer's popular guide to the major aspects of the presidential nominating system looks at how the system has worked in past nomination races, and how it is likely to work in 2000.

"A superb collection of original research. [*In Pursuit of the White House*] should be required reading for political reporters and for all students of American electoral politics."

—Thomas E. Mann,  
*The Brookings Institution*

1-889119-17-2 • April 1999 • paper \$24.95

### **The Triumph of Campaign Politics**

DAVID J. MENEFFEE-LIBEY, POMONA COLLEGE

To demonstrate the emergence of a "campaign-centered" electoral order, the author discusses the transformation of American national campaigns over the past few decades and the adaptive responses of the Democratic Party to this realignment.

1-889119-19-9 • April 1999 • paper \$24.95

### **Elections, Media, and Democracy**

PAUL J. LAVRAKAS, OHIO STATE UNIVERSITY, AND  
MICHAEL W. TRAUOGT, UNIVERSITY OF MICHIGAN

Once again Lavrakas and Traugott have collaborated to provide a primer on the current hows and whys of modern polling. Focusing primarily on the 1996 presidential election campaign, eminent scholars and media pollsters address such aspects as political campaigns, elections, voting behavior, public opinion, and especially the news media's role in elections and democracy.

1-889119-16-4 • April 1999 • paper \$29.95

### **The Clinton Legacy**

EDITED BY COLIN CAMPBELL, GEORGETOWN UNIVERSITY,  
AND BERT A. ROCKMAN, UNIVERSITY OF PITTSBURGH

Following their highly successful review of Clinton's first administration, *The Clinton Presidency: First Appraisals*, Campbell and Rockman now offer the reader a timely, new collection of original essays evaluating Clinton's performance as president over two terms. The result is an impressive overview of current opinion and interpretation with contributions from such leading experts as

Mark Peterson  
Barbara Sinclair  
George C. Edwards III  
Larry Berman  
Emily Goldman  
Joel D. Aberbach  
Virginia Sapiro  
David M. O'Brien  
Graham K. Wilson  
Paul J. Quirk  
Byron E. Shafer

These scholars provide provocative and multifaceted perspectives on Congress, public opinion, interest groups, foreign policy, bureaucracy, gender and race, the courts, domestic policy, political parties, leadership, the federal executive, and comparative analysis.

1-889119-14-8 • March 1999 • paper \$22.95
