

Corrigendum

Journal of American Studies 1, no. 1.

Inadvertently an error crept in, at proof stage, to Dr J. R. Pole's article: we apologize to him and to our readers for this, and we would like to correct it. On page 69 the sentence to which footnote 1 refers should, of course, read 'George F. Kennan's trenchant critique...was followed shortly by Professor John M. Blum's...' As it stands, the text is wrong, the footnote is correct.
