The Damocles Delusion: The Sense of Power Inflates Threat Perception in World Politics – ERRATUM

Caleb Pomeroy

DOI: [10.1017/S0020818324000407](https://doi.org/10.1017/S0020818324000407). Published online by Cambridge University Press 12 March 2025

In the original publication of Pomeroy (2025), three corrections were not made:

1. The author's email address is incorrect on the first page. It should read caleb.pomeroy@utoronto.ca.
2. On page 23, "a Soviet submarine" should have been changed to "a Soviet ICBM."
3. On page 29, the sentence: "A more sensible US policy would exhibit empathy for the concerns of a rising power, a wider historical perspective on a millennia-old country, and appreciation for the complexity of China's domestic situation" should have been replaced with: "A more sensible US policy would prioritize the deliberative thinking that facilitates meaningful diplomacy."

The publisher apologizes for these errors.
