## BIRDS OF BRAZIL IDENTIFICATION GUIDE

Now it's easy to discover the name of any Brazilian bird. In this book, J.D. Frisch gives the scientific name, the popular names (in Portuguese, Spanish and English) along with the habits and more than 1,560 drawings that facilitate identification by illustrating the original colors. Printed in Italy by Mondadori, this bestseller in its field, now includes an Addendum translating the major parts of the text into English.

Size 6" x 9" - 356 pages

# The Natural History of the Arabian Gulf

**Series Editors:**

**John and Anne Cloudsley-Thompson**

All naturalists will be interested in this important new series, but the level of the books has been intentionally pitched to appeal to students of biology and amateur naturalists working and living in the Arabian Gulf. All the books provide both an identification guide to the species and detailed background information, and are profusely illustrated with colour plates and line drawings.

## **Mammals of the Arabian Gulf**

**David L. Harrison**  
88 pages Hardback £7.95

## **Birds of the Arabian Gulf**

**Michael C. Jennings**  
168 pages Hardback £9.95

## **Inshore Fishes of the Arabian Gulf**

**Kenneth Relyea**  
96 pages Hardback £7.95

## **Seashells of the Arabian Gulf**

**Kathleen Smythe**  
124 pages Hardback £9.95
