Fax: 0734 504847**

C. J. & K. S. VOICE, Registered Fire Arms Dealer, TV No. 79 VAT Registration No: 438 2184 47

Devoted entirely to issues, discoveries, and developments—**Physiological Zoology** publishes the best and latest research on biological processes, behavior, and impinging environmental factors.

PHYSIOLOGICAL ZOOLOGY

Physiological Zoology has served the needs of experimental and comparative zoologists for over sixty years. Today, it remains one of the few journals concerned with the physiological, environmental, and biochemical responses of diverse organisms and animal populations. Quantitative analyses of data drawn from field observations and laboratory experiments are an integral part of the international research published in **PZ**.

Physiological Zoology: a change of pace:

Under the editorship of Warren Burggren and associate editorship of John Roberts, there's a new look to **PZ**. While retaining its focus on original research, the journal has instituted a number of substantive editorial changes. An *international perspective* is represented by an expanded editorial board; readers can now benefit from the expertise from scientists around the globe, including Australia, Austria, India, Japan, and West Germany among others. *Two new sections* include: "Invited Perspectives in Physiological Zoology," featuring reflective essays of timely interest and "Technical Comments," a forum for brief notes regarding papers recently published in **PZ**. *Symposium issues* feature selected peer-reviewed papers from significant meetings around the world.

Warren W. Burggren, *editor* John L. Roberts, *associate editor*

Published bimonthly by the University of Chicago Press

Sponsored by The Division of Comparative Physiology and Biochemistry,
American Society of Zoologists

One-year subscription rates: Individuals \$48.00; ASZ members \$39.00; Students (with copy of ID) \$31.00; Institutions \$120.00. **Outside USA**, add \$4.00 for postage. **Visa** and **MasterCard** accepted. To order, send check, purchase order, or complete charge card information to The University of Chicago, Journals Division, Dept. SS0SA, P.O. Box 37005, Chicago, IL 60637.
