Economics & Philosophy

Editors

Richard Bradley, *London School of Economics, UK*

Martin van Hees, *University of Amsterdam, Netherlands*

François Maniquet, *CORE (Université Catholique de Louvain), Belgium*

John A. Weymark, *Vanderbilt University, USA*

The disciplines of economics and philosophy each possess their own special analytical methods, whose combination is powerful and fruitful. Each discipline can be enriched by the other. *Economics & Philosophy* aims to promote their mutual enrichment by publishing articles and book reviews in all areas linking these subjects. Topics include the methodology and epistemology of economics, the foundations of decision theory and game theory, the nature of rational choice in general, historical work on economics with a philosophical purpose, ethical issues in economics, the use of economic techniques in ethical theory, and many other subjects.

Science in Context

Editors

Leo Corry, *The Cohn Institute for the History and Philosophy of Science and Ideas, Tel Aviv University, Israel*

Jürgen Renn, *Max-Planck-Institut für Wissenschaftsgeschichte, Berlin, Germany*

Science in Context is an international journal edited at The Cohn Institute for the History and Philosophy of Science and Ideas, Tel Aviv University, with the support of the Van Leer Jerusalem Institute. It is devoted to the study of the sciences from the points of view of comparative epistemology and historical sociology of scientific knowledge. The journal is committed to an interdisciplinary approach to the study of science and its cultural development - it does not segregate considerations drawn from history, philosophy and sociology. Controversies within scientific knowledge and debates about methodology are presented in their contexts.

UNIVERSITY PRESS

Editorial Policy of Philosophy

The editorial policy of the journal pursues the aims of the Institute: to promote the study of philosophy in all its branches: logic, metaphysics, epistemology, ethics, aesthetics, social and political philosophy and the philosophies of religion, science, history, language, mind and education. The Institute is not committed to any school or method and its membership is not restricted to those with special qualifications in philosophy. Contributors are expected to avoid all needless technicality.

Instructions for Contributors

Prospective authors should email their contributions as .doc files (not pdfs) to assistant@royalinstitutephilosophy.org. Contributions should on no account be longer than 10,000 words. Generally speaking far shorter is much to be preferred.

Authors should observe the conventions of the journal. The Editor will alter manuscripts wherever necessary to make them conform to journal style.

Quotation marks

Single quotation marks should be used except where there is a quotation within another.

E.g. 'He cried out "one should only use double quotation marks *within* single quotation marks", and stormed off.'

Unless the punctuation is an integral part of the quotation, it should be *outside* the quotation marks.

E.g. She looked up and asked 'Like this?'

He nodded and replied 'yes, that's exactly right'.

Titles of articles should be in single quotation marks. Scare quotes should be in single quotation marks.

Italics

The titles of books and journals should be in italics.

Foreign words and phrases should be in italics.

E.g. '*reductio ad absurdum*' and '*a priori*'.

Hyphens, en-rules, em-rules

En-rules should be used for parentheses, rather than em-rules.

E.g. 'en-rules are – according to Hart's rules – the most appropriate for London journals.'

NOT

'en-rules are—according to Hart's rules—the most appropriate for London journals.'

En-rules should be used to indicate ranges, rather than hyphens.

E.g. '136–234'

NOT

135-234

Footnotes

Notes and references will be printed as footnotes. Citations should also be given as footnotes and should appear as follows:

1. John Hyman, 'Pains and Places', *Philosophy* 78 (2003), 5–24
2. R. B. Loudon, *Morality and Moral Theory* (New York and Oxford: Oxford University Press, 1992).
3. Op. cit. note 1, 101–112.

NOTE – do not include 'pp.' or 'p.' to indicate pages.

Structure

Sub-sections should be headed with Arabic rather than Roman numerals.

Abstracts should appear at the start of articles, and should be between 100 and 200 words in length.

At the end of articles, the author's biographical note will be inserted. This will include the author's name, email (unless otherwise stipulated by the author), and a couple of sentences detailing research interests and recent publications.

SEBASTIEN WINSTANLEY (swinstanley@bies.ac.uk) is *Professor of Philosophy at the British Institute of Ephemeral Studies*. His recent publications include *The Disappearance of Nothingness* (Arcana Press, 2011) and *Death, My Friend* (Moribunda, 2013).

Only corrections of typesetter's errors can be allowed in proofs. Authors are therefore asked to send any alterations or additions to Professor O'Hear as soon as possible after receiving his letter of acceptance.

Authors of articles, discussion papers and review articles will receive a pdf offprint free of charge. Print offprints may be purchased from the publisher if ordered at proof stage. Authors will also receive a copy of the issue in which their article appears.

Books for review should be sent to the Editor at the Institute and not to Cambridge University Press. Publishers are asked to note that non-philosophical works are not reviewed in *Philosophy*.

Contributors of accepted articles will be asked to assign their copyright (on certain conditions) to the Royal Institute of Philosophy so that their interest may be safeguarded.

Authors are responsible for obtaining permission to reproduce any material in which they do not own copyright, to be used in both print and electronic media, and for ensuring that the appropriate acknowledgements are included in their manuscript.

Authors' corrected proofs should be sent via email to assistant@royalinstitutephilosophy.org.

Internet Access

This journal is included in the Cambridge Journals Online service which can be found at <http://journals.cambridge.org>. For further information on other Press titles access <http://www.cambridge.org>.
