Persistence of cognitive impairment and its negative impact on psychosocial functioning in lithium-treated, euthymic bipolar patients: a 6 year follow-up study – CORRIGENDUM

doi: 10.1017/S0033291712001948. First published online by Cambridge University Press 31 August 2012.

In our recently published study (Mora *et al.* 2012) a heading in Table 3 page 1193 is incorrect.

The column headed “Executive Function” sub heading “ Δ Forward span”

should read

“Executive Function” sub heading “ Δ Backward span”

The authors apologize for this error.
