# The Ancient Americas

## A Brief History and Guide to Research

Hanns J. Prem

Translated by Kornelia Kurbjuhn

Outlining the long and complex cultural history of Mesoamerica and South America, this volume places the last flowering of the Aztecs and Incas into their respective geographic and socio-cultural frameworks. A final section offers a topically arranged bibliography of over a thousand entries. An essential reference.

## The Códice de Santa María Asunción

### Households and Lands in Sixteenth-Century Tepetlaoztoc

Barbara J. Williams and H.R. Harvey

The Códice de Santa María Asunción, one of the most comprehensive native census pictorial manuscripts that has survived from central Mexico, provides a wealth of information on native rural life, social structure, settlement patterns, land tenure, household composition, political and economic organization, and cultural ecology and is one of a handful of remaining examples of indigenous record keeping.
