# The All England Law Reports

This series offers a complete law reporting service, covering the House of Lords, the Court of Appeal, all Divisions of the High Court, and Courts of Special Jurisdiction. As the original weekly series of law reports with full judgments, and the only series to be cross-referenced to *Halsbury's Laws of England* and other major works, the ALL E.R. is well established as an essential part of the equipment of any legal office. Today, the subscription list stands at well over 12,000 and there are very few lawyers indeed who do not consult the ALL E.R. when questions of case law arise. The annual subscription is £5 15s. 6d., by post 8s. extra; further details may be obtained from the Publishers.
