The editor regrets that the front cover of The Review of Politics, volume 78, issue 4, incorrectly listed 2016 as the “Special Issue on Shakespeare’s Politics in Honor of the 400<sup>th</sup> Anniversary of his Birth.” It should have listed 2016 as the 400<sup>th</sup> anniversary of Shakespeare’s death.

The Introduction originally published by Cambridge University Press, in The Review of Politics, volume 78, issue 4, page 479 also incorrectly listed 2016 as the anniversary of Shakespeare’s birth. It should have listed 2016 as the 400<sup>th</sup> anniversary of Shakespeare’s death.
