### **Index to scientific names and nomenclatural checklist of *Trypetheliaceae* – ERRATUM**

doi:10.1017/S002428291600058X. Published online for the British Lichen Society by Cambridge University Press, 7 December 2016.

The index was erroneously published to run on from the previous article. It, and the preceding article, have now been published online as separate articles, with the correct pagination and running heads.
