

DR. J. COLLIS BROWNE'S CHLORODYNE.

during many years. In Choleraic Diarrhoea, and even in the more terrible forms of Cholera itself, we have witnessed its surprisingly controlling power. We have never used any other form of this medicine than Collis Browne's, from a firm conviction that it is decidedly the best, and also from a sense of duty we owe to the profession and the public, as we are of opinion that the substitution of any other than Collis Browne's is a deliberate breach of faith on the part of the chemist to prescriber and patient alike.—We are, Sir, faithfully yours, SYMES & CO.

To J. T. DAVENPORT, Esq.,
33 Great Russell St., Blooms-
bury, London.—DEAR SIR—

We embrace this opportunity
of congratulating you upon
the wide-spread reputation
thus justly esteemed medicine
which has earned for itself, not
only in Hindostan, but all
over the East. As a remedy
of general utility, we much question whether a
better is imported into the country, and we shall
be glad to hear of its finding a place in every Anglo-
Indian home. The other brands, we are happy to
say, are now relegated to the native bazaars, and,
judging from their sale, we fancy their sojourn
there will be but evanescent. We could multiply
instances *ad infinitum* of the extraordinary efficacy
of Dr. Collis Browne's Chlorodyne in Diarrhoea
and Dysertery, Spasms, Cramps, Neuralgia, the
Vomiting of Pregnancy, and as a general sedative,
that have occurred under our personal observation

COUGHS, COLDS, ASTHMA. BRONCHITIS.

D R. J. COLLIS BROWNE'S CHLORODYNE
—This wonderful remedy was discovered by Dr. J. COLLIS BROWNE, and the word Chlorodyne coined by him expressly to designate it. There never has been a remedy so vastly beneficial to suffering humanity, and it is a subject of deep concern to the public that they should not be imposed upon by having imitations pressed upon them on account of cheapness, and as being the same thing. Dr. J. COLLIS BROWNE'S CHLORODYNE is a totally distinct thing from the spurious compounds called Chlorodyne, the use of which only ends in disappointment and failure.—See *The Times*, July 13th, 1864.

D R. J. COLLIS BROWNE'S CHLORODYNE
—Vice-Chancellor Sir W. PAGE WOOD
STATED PUBLICLY in Court that Dr. J. COLLIS
BROWNE was UNDOUBTLY the INVENTOR
of CHLORODYNE, that the whole story of the
defendant was deliberately untrue, and he regretted
to say it had been sworn to.—See *The Times*, July
13th, 1864.

D R. J. COLLIS BROWNE'S CHLORODYNE
rapidly cuts short all attacks of
EPILEPSY, SPASMS, COLIC,
PALPITATION, HYSTERIA.

The IMMENSE SALE of this REMEDY has given rise to many UNSCRUPULOUS IMITATIONS.

N. B.—EVERY BOTTLE OF GENUINE CHLORODYNE BEARS on the GOVERNMENT STAMP the NAME of the INVENTOR.

D R. J. COLLIS BROWNE.
SOLD IN BOTTLES, 1s. 1½d., 2s. 9d., 4s. 6d.
