The authors apologise that upon publication of Yılmaz, S., Ordu, Y. and Aktaş, D. (2025) an error was made in the Ethical Considerations section. The year listed in the sentence ‘Written approval was obtained from the Çankırı Karatekin University Ethics Board (March 28th, 2022, no. 31)’ was incorrect and listed as 2022 instead of the correct year 2023. The full sentence should read ‘Written approval was obtained from the Çankırı Karatekin University Ethics Board (March 28th, 2023, no. 31)’.
