By REBECCA GOWLAND

<https://doi.org/10.1017/S0068113X18000296> Published online by Cambridge University Press, 20 April 2017.

It has been brought to our attention that two *Britannia* articles by Rebecca Gowland were inadvertently published online as a single piece sharing the same Digital Object Identifier (DOI).

We have corrected this error by separating the two pieces and assigning a new unique DOI to the introduction, namely, <https://doi.org/10.1017/S0068113X18000296>, while ‘Embodied Identities in Roman Britain: A Bioarchaeological Approach’ will retain the existing DOI: <https://doi.org/10.1017/S0068113X17000125>

We apologise to the author and to readers who have been affected in their navigation to the respective articles.
