

Studies in American Political Development

**CAMBRIDGE
UNIVERSITY PRESS**

Editors

Karen Orren, University of California, Los Angeles
Stephen Skowronek, Yale University

Studies in American Political Development publishes high quality scholarship covering American political change and institutional development from a historical perspective. Articles focus on government institutions and their social, economic and cultural environment. The journal features in-depth original articles, which allow scholars to elaborate on the complex patterns of state-society relations. These longer articles also encourage an interdisciplinary approach-- tying in relevant issues and related themes. In addition, *SAPD* recognizes the importance of comparative politics to the study of American institutions.
