Research Career Paths Among Political Scientists in Research Institutions— Erratum

Kim Quaile Hill

DOI: <https://doi.org/10.1017/S1049096520001730> Published by Cambridge University Press, 14 January 2021.

As a result of a production error, in Hill 2021 several words were dropped from the pull quote and corresponding text on page 3. The correct text is as follows:

At the other tail, in categories G and H, are 39% of the cases with scholars who have crafted remarkable research records, even if those in category G publish less later in their career than earlier.

The publisher regrets this error. ■
