

by Brian Pearce. New Park Publications, London 1982. xiv, 367 pp. Ill. Maps. £ 5.00.

The present volume is an able translation, provided with scholarly notes, well-chosen illustrations and a composite index, of *Kronštadt i Piter v 1917 godu*, which was published in 1925. The author's open letter to Stalin of 1939 is appended.

**Resolutions and Decisions of the Communist Party of the Soviet Union. Vol. 5. The Brezhnev Years 1964-1981.** Ed.: Donald V. Schwartz. University of Toronto Press, Toronto, Buffalo, London 1982. xvii, 301 pp. C\$ 37.50.

Vols 1-4 of these translated selections were published nine years ago, and noticed in IRSH, XXI (1976), pp. 148f. The present concluding volume is edited on the same lines. Its contents reflect the manner in which Brežnev and his regime tried to cope with the numerous unsolved domestic problems of the Soviet Union.
