Bolshevik Women

Barbara Evans Clements

Bolshevik Women is a history of the women who joined the Soviet Communist Party before 1921. Drawing on a database of more than five hundred individuals as well as on intensive research into the lives of the most prominent female Bolsheviks, Clements tells the fascinating story of the female Reds who survived imprisonment, built bombs, led armies into battle, and struggled to survive under Stalin.

Popular Opinion in Stalin's Russia

**Terror, Propaganda and Dissent,
1934-1941**

Sarah Davies

Between 1934 and 1941 Stalin unleashed what came to be known as "The Great Terror" against millions of Soviet citizens. This book is a study of how ordinary Russians experienced life during this period. It uses NKVD and Party reports, letters and other evidence to show that, despite propaganda and repression, the people continued to criticize Stalin and the Soviet regime, and complain about particular policies.

The Balkan Economies c.1800-1914

Evolution without Development

Michael Palairot

This in-depth study promises to be the definitive economic history of the Balkans. It is a strongly revisionist book that compares the economic progress of Serbia, Bulgaria, Bosnia, Montenegro and Macedonia in the century before World War One. Native language primary sources are used to argue that these territories probably experienced economic decline rather than growth, at least from the mid-nineteenth century.

Während sich im übrigen Europa die
Erbfolge als Mittel der Herrschaftssiche-
rung und -stabilisierung unumkehrbar
durchsetzte, blieb die polnische Respu-
blica bis zum Ende ihres Bestehens

ein Wahlreich und damit eine auffallende
Ausnahme. Das Interregnum und sein
ritualisierter Ablauf bildeten hier einen
festen Bestandteil der Verfassung. In
dieser königlosen Zeit fielen alle Attri-
bute von Herrschaft allein dem Adel zu.
Rhode untersucht, inwieweit die polni-
sche Adelsgesellschaft in der Lage war,
die durch den Tod des Herrschers ausge-
löste Krise zu meistern. Sie berücksich-
tigt hierbei sowohl Programme als auch
Handlungsspielräume des Adels, wobei
die Perspektive zwischen zentraler und
regionaler Ebene wechselt.

Minderheitenfragen gehören zu den
schwierigsten Problemen im deutsch-
polnischen Verhältnis. Bisher galt das
Interesse der Historiker vorwiegend poli-
tischen Aspekten, weniger dem Mit-
Neben- und Gegeneinander von Deut-
schen und Polen im Alltag.

Niendorf untersucht einen nach dem
Ersten Weltkrieg zwischen Deutschland
und Polen geteilten Kreis, auf dessen
Gebiet zu beiden Seiten der Grenze
bedeutende Minderheiten zurückblie-
ben. Das Innovative der Darstellung
besteht einerseits in dem synchronen und
diachronen Vergleich der Nationalität-
enproblematik in einem ethnischen
Mischgebiet, andererseits in ihrem Cha-
rakter als kleinräumige Fallstudie. Die
Auswertung bisher wenig beachteten
Quellenmaterials zeigt, daß nationale
Gesichtspunkte im Alltag vielfach nur
eine geringe Rolle spielten. Lange Zeit
gelang es, Konflikte vor Ort zu ent-
schärfen, bis schließlich auch in der Pro-
vinz das Zusammenleben von Deut-
schen und Polen vom politischen
Gegensatz zwischen Berlin und War-
schau überschattet wurde.

THE SOVIET EXPERIMENT

Russia, The USSR, and the Successor States

Ronald Grigor Suny, *University of Chicago*

One of the eminent Soviet historians of our time, Ronald Grigor Suny takes us on a journey that examines the complex themes of Soviet history from the last tsar of the Russian empire to the first president of the Russian republic. He examines the legacies left by former Soviet leaders and explores the successor states and the challenges they now face. *The Soviet Experiment* recovers the complexities and contradictions of the 70 years of Soviet Power, exploring its real achievements as well as its grotesque failings. Clearly written and well-argued, this narrative is complete with helpful anecdotes and examples that will not only engage students and offer them an opportunity to learn from new material but also afford them the opportunity to form their own opinions by reading the text and looking into the suggested readings.

Introduction to the Croatian and Serbian Language

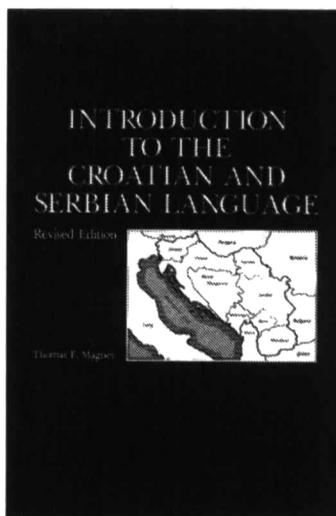

Revised Edition

THOMAS F. MAGNER

"Magner's fine work is an exception to existing textbooks. The author accepts the political realities surrounding the question of the Serbian and Croatian variants, and he sets out to provide an opportunity for the instructor to choose and select."—*Geolinguistics*

Introduction to the Croatian and Serbian Language provides an introduction to the language traditionally called Serbo-Croatian, although it is also referred to as Serbian or Croatian. There are two main variants of the language: Croatian (Western) and Serbian (Eastern). Unique in its equal treatment of the two principal variants, this book presents the two alphabets used (Latin and Cyrillic), the representation of lexical items specific to each variant, and pronunciation and syntactic differences. A dictionary is also included.

TO THOSE WISHING TO SUBMIT MANUSCRIPTS

Manuscripts for consideration should be submitted by post or courier in four double-spaced typed copies. (If computer-generated, they should be letter quality or near letter quality. Continuous form sheets must be separated.) Notes and block quotations should be double-spaced; notes should be placed at the end of the manuscript and not at the bottoms of pages. Library of Congress transliteration and the *Chicago Manual of Style* are to be followed. In general, articles should not exceed 35 typed pages 8½" by 11" in dimension—including endnotes. Accepted manuscripts will be copyedited electronically, and authors will be asked to submit final versions on computer diskette. Submissions will not be returned.

Manuscripts are sent to outside readers in anonymous form and should be prepared accordingly.

The policy of *Slavic Review* is not to consider materials that have been published or that are being considered for publication elsewhere.

The *Slavic Review* does not ordinarily accept unsolicited book reviews. Please consult us in advance of submitting an uninvited book review.

Slavic Review is the journal of the American Association for the Advancement of Slavic Studies, whose members support the journal through their dues. *Slavic Review* expects the authors of articles published in the journal to belong to the association.

Slavic Review

Announces Two Special Issues To Be Published in 1999

Special Issue to Commemorate the 200th Anniversary of Pushkin's Birth *Guest Editor - Stephanie Sandler, Amherst College*

Articles are invited for a special Pushkin issue of *Slavic Review* to be published in 1999. Essays that address Pushkin's reception in Russia and the west, recent directions in Pushkin scholarship, institutional structures that have shaped Russia's myths of Pushkin, and his impact on later Russian poets, writers, thinkers, and artists are especially welcome, as are those that challenge canonical views of his life and work. Historians, social scientists, and scholars of film, literature, and the visual arts are invited to participate. Preliminary inquiries and other questions may be addressed to the guest editor for the special issue: Stephanie Sandler, Russian Department, Amherst College, Amherst, MA 01002-5000; ssandler@amherst.edu. Manuscripts should be submitted to *Slavic Review* (University of Illinois at Urbana-Champaign, 57 East Armory Avenue, Champaign, IL 61820), where they will be subject to the journal's usual review process.

The deadline for manuscript submission is 1 August 1998.

Ten Years after 1989

Guest Editor - Philip G. Roeder, University of California-San Diego

A special issue of *Slavic Review* in 1999 will be dedicated to exploring the theme, "Ten Years after 1989: What Have We Learned?" Possible questions to be examined include: What have we learned over the past ten years that has either confirmed the views we held on the eve of the collapse of communism, transformed those beliefs, or shattered them? For example, do we have a different understanding today about the ability of communist regimes to transform themselves, the mutability of societies and cultures under communism, capitalism, and democracy, or the requisites for democratization and economic liberalization? In particular, what do the lessons found in Russia and eastern Europe say to scholars and practitioners in other regions of the world? Scholars from all disciplines and practitioners are encouraged to participate. Preference will be given to manuscripts that review findings from more than a single research project and more than one country. Manuscripts should be no more than 10,000 words in length; 8,000 words is preferable. Inquiries concerning this project may be addressed to the guest editor: Philip G. Roeder, Department of Political Science, University of California-San Diego, La Jolla, CA 92093-0521; (619) 534-6000; proeder@ucsd.edu. Manuscripts should be submitted to *Slavic Review* (University of Illinois at Urbana-Champaign, 57 East Armory Avenue, Champaign, IL 61820), where they will be subject to the journal's usual review process.

The deadline for manuscript submission is 1 November 1998.
