

Geologie en Mijnbouw / Netherlands Journal of Geosciences

Scope

Geologie en Mijnbouw / Netherlands Journal of Geosciences seeks to be the prime outlet for publication of geoscientific papers pertaining to the Netherlands and the North Sea region and relevant adjacent areas. Manuscripts on any geoscientific topic will be considered for publication, provided they comply with the regional focus of the journal and are of international interest and quality.

Submission of manuscripts

Manuscripts may be submitted to the Editorial Office. Manuscripts should be prepared in accordance with the 'instructions to authors' as summarized in every first issue of a volume; the instruction is also available upon request from the Editorial Office and on the journal's website (<http://www.nitg.tno.nl/eng/products/pub/njg/index.shtml>). The author(s) of manuscripts submitted are responsible for obtaining clearance for publication from relevant parties including, if appropriate, permission to include copyright material.

Subscription and distribution

Geologie en Mijnbouw / Netherlands Journal of Geosciences is published quarterly and dispatched by surface post. The journal is distributed to members of the Royal Geological and Mining Society of the Netherlands (KNGMG) free of charge and to private and institutional subscribers. The rate for institutional subscribers for the year 2001 is NLG 560.00 / US\$ 233.00 / Euro 254.00. Subscriptions are handled by Veenman drukkers, P.O. Box 18, 6710 BA Ede, the Netherlands (tel. +31-318-648400; fax +31-318-648484; e-mail: users@veenman-druk.nl).

All orders (including requests for back issues) and related business correspondence (including address changes for subscribers) should be addressed to Veenman drukkers.
