NOTES TO CONTRIBUTORS

Modern Asian Studies

Modern Asian Studies promotes original, innovative, and rigorous research on the history, sociology, anthropology, and economics of modern Asia. Covering South Asia, Southeast Asia, China, Japan, and Korea, the journal is published in six parts each year. It welcomes articles which deploy inter-disciplinary and comparative research methods. *Modern Asian Studies* specializes in the publication of longer monographic essays based on path-breaking new research; it also carries substantial synoptic essays which illuminate the state of the broad field in fresh ways. Issues of the journal will occasionally contain a forum of articles on related themes. Responses to issues raised in the fora are welcomed by the Editor and will be subject to the usual review procedure. Substantial review articles will be commissioned to discuss important new books. The Book Review Editor also welcomes proposals for such reviews. Unsolicited review articles will be accepted on the basis of peer review.

For full details, please refer to the instructions for contributors which can be found at: <https://www.cambridge.org/core/journals/modern-asian-studies/information/instructions-contributors>

Authors are responsible for obtaining permission to reproduce any material in which they do not own copyright, to be used in both print and electronic media, and for ensuring that the appropriate acknowledgements are included in their manuscript.

The Editor welcomes expression of all shades of opinion, but responsibility for them rests with their author. The Editorial Board regrets that it is not able to relay reports for articles not accepted for publication.
