MAJOR BARWIS-HOLLIDAY AWARD FOR FAR EASTERN STUDIES (1988)

An annual award has been instituted for the best paper submitted to the Society on an East Asian subject, based on the anthropology, art, ethnology, history, literature or religion of China, Japan, the Soviet Far East, Korea, Taiwan and Hong Kong. Award-winning entries will be published in the Society's *Journal*. Within the usual format no rigid limit is imposed on the length of the contributions submitted, but it should be understood that the most suitable length is about 6,000 words.

The manuscript should be typed in double spacing on sheets of A4 size, leaving a margin of at least 30mm on the left-hand side, and the sheets should be numbered consecutively at the top right-hand corner. Notes should be numbered consecutively throughout the article, and typed on a separate sheet or sheets at the end. Entries for the award should be submitted by 31 December 1987, and addressed to the Secretary, Royal Asiatic Society, 56 Queen Anne Street, London W1M 9LA, England.

THE SKILLITER LIBRARY FOR OTTOMAN STUDIES, NEWNHAM COLLEGE, CAMBRIDGE

When Dr Susan Skilliter died in September 1985 she bequeathed her academic library and a certain sum of money to Newnham College as provision for an "Institute" which would preserve and maintain the library to be a tool of research on the Ottoman world. The books are currently housed on the upper floor of the Principal's Lodge at Newnham and a preliminary catalogue of the most important sections of the collection has been made; they can now be consulted (normally between the hours of 9.30 am and 5.30 pm Monday to Friday) by accredited scholars who write to make an appointment with The Principal's Secretary, Newnham College, Cambridge CB3 9DF, giving where possible, not less than one week's notice.
