

GREAT DECISIONS '82

The Council on Religion and International Affairs is currently preparing its annual "Identifying Human Values" supplement to the Foreign Policy Association's *Great Decisions*, a foreign policy study and discussion guide. The topics for '82 are:

- AMERICA'S DEFENSE—*What price security?*
- WESTERN EUROPE AND THE U.S.—*Friction among friends*
- CENTRAL AMERICA—*Fire in the "front yard"?*
- THE PALESTINIANS—*History, politics, and conflict*
- PROTECTING THE WORLD'S RESOURCES—*Is time running out?*
- JAPAN—*Strategic ally, economic rival*
- GLOBAL INFLATION—*Is there a cure?*
- THE USSR AND POLAND—*Troubles in the workers' paradise*

The entire Great Decisions supplement will appear, as last year, in the expanded January issue of *WORLDVIEW*. The demand for this special issue was great—so great, in fact, that some orders could not be filled. To avoid disappointing anybody this time, we are offering an opportunity to place orders for multiple copies in advance. The coupon below is provided for this purpose. Orders received by December 15 will be shipped *before Christmas* by mail or UPS.
