

CORRIGENDUM

Branching out: mapping the spatial expansion of the lessepsian invader mytilid *Brachidontes pharaonis* around the Maltese Islands

DAVID P. CILIA AND ALAN DEIDUN

doi:10.1017/S1755267212000152, Published by Cambridge University Press, 5 April 2012

Within the Cilia & Deidun (2012) publication, the following errors need to be highlighted:

- (i) Bonnici (unpublished) should have been cited as Bonnici (2011);
- (ii) the following reference is missing and should have been included within the list of references:

Bonnici L. (2011) Studies on the ecology of the non-indigenous mussel *Brachidontes pharaonis* on the shores of Birzebbuga. In *Biology symposium abstracts booklet*. Malta: Department of Biology, University of Malta, pp. 3–5.
