

*k* to *s* is a comparatively late phenomenon. He does not explain how such a change, spreading as a 'sound-wave' (a question-begging term), could transgress linguistic boundaries and spread northwards as far as the Baltic.

## ERRATUM

The Editors wish to apologize for an error on p. 4 of the General Index of vols. i-xxxii, where the article on 'The Portents in Horace' is attributed to Miss G. Hirst. The author is Miss M. E. Hirst.
