The NJARE is the official publication of the Northeastern Agricultural and Resource Economics Association (NAREA). The purpose of the Journal is to foster and disseminate professional thought and literature relating to the economics of agriculture, natural resources and community development. It is published twice a year—in April and October. In addition to normal refereed articles, it also publishes invited papers presented at the annual meetings of NAREA as well as abstracts of selected papers presented at those meetings.

Membership in the NAREA is open to all persons having an interest in agricultural and resource economics. Membership dues include subscription to the NJARE and are \$10.00 per year regular and \$5.00 per year student. All other subscriptions are \$10.00 per year. Single copy prices are \$5.00 per issue.

Address all editorial material to Cleve Willis, Department of Agricultural and Resource Economics, 221 Draper Hall, University of Massachusetts, Amherst, Massachusetts 01003. Address requests for membership, subscriptions, and changes of address to Mary Templeton, Division of Resource Management, West Virginia University, Morgantown, West Virginia 26506.
