Hebrew in its West Semitic setting

A comparative survey of non-Masoretic Hebrew dialects and traditions
Part 2. Phonetics and phonology.
Part 3. Morphosyntactics
A. MURTONEN

This work is a survey of non-Masoretic Hebrew dialects and traditions against the background of the related, primarily other West Semitic languages, but also the less close East and South Semitic and non-Semitic branches of the Semito-Hamitic phylum are taken into account.

The State in Indian Tradition

HARTMUT SCHARFE

The State in Indian Tradition deals with the concept and actualization of the state in India and the developments leading up to the formation of the state, essentially from the Vedic period until the Muslim conquest. At the same time, the author has attempted to distinguish the characteristic phases in this historic process.

The Rāmāyaṇa of Vālmīki

An Epic of Ancient India

Volume III, Aranyakāṇḍa

*Introduction, translation, and annotation
by Sheldon I. Pollock*

Edited by Robert P. Goldman

This is the third volume of a planned seven-volume translation of India's most beloved and influential epic tale—the *Rāmāyana of Vālmīki*. The book contains the narrative center of the epic, the abduction of Sītā by the demon king Rāvaṇa. It provides a profound meditation on the paradox of the hero as both human and divine. The present translation seeks to provide a readable and trustworthy English version of the poem. It is accompanied by a full commentary elucidating the philological, aesthetic, and cultural problems of the text.

Norito

A Translation of the Ancient Japanese Ritual Prayers

Donald L. Philippi

This volume presents the only English translation of the prayers of Japan's indigenous religious tradition, Shintō. These prayers, *norito*, are works of religious literature that are basic to an understanding of Japanese religious history.

Composed in the stately ritual language of the ancient Japanese and presented as a "performing text," these prayers are now available in a definitive paperback edition.

The Golden Age of the Chinese Bourgeoisie

1911–1937

MARIE-CLAIRE BERGERE

This innovative study looks at the gradual establishment of the bourgeoisie as a specific and coherent social class in China. Bergere describes how, even though the bourgeoisie had their own political ideology, they were unable to establish any formal authority in the aftermath of the state's collapse.
