# COMPARATIVE STUDIES IN SOCIETY AND HISTORY

ISSN 0010-4175

Founded by Sylvia L. Thrupp

*Comparative Studies in Society and History* is a forum for new research and interpretation concerning problems of recurrent patterning and change in human societies through time and in the contemporary world. It sets up a working alliance among specialists in all branches of the social sciences and humanities. Review articles and discussions bring readers into touch with current findings and issues.

## NOTES FOR CONTRIBUTORS

*CSSH* welcomes submissions. Essays should be written in such a way that complex issues are made intelligible and appealing to erudite readers who are not specialists in the subject under investigation. The editors prefer essays that are concise and will not accept for review essays over 14,000 words, including notes and references. Authors are also required to attach an abstract of no more than 250 words in length, including a concise description of their hypothesis, methodology, key sources, and conclusions. Please include with your submission your full contact information, including your email address.

The editors ask that submissions be presented in a manner that facilitates the work of reviewing and editing. Please submit a digital version of your work by email attachment to: [hist-cssh@umich.edu](mailto:hist-cssh@umich.edu), or on a CD. No printed copies are required. The journal works in Microsoft Word. The journal uses Windows-based PCs exclusively. The work should be formatted in 12-point type and double-spaced throughout, including quotations, notes, and bibliography. Please allow generous margins of an inch or more for editorial corrections. Authors of essays accepted for publication must secure and submit permissions to reproduce photographs or other illustrations and tables.
