

## ERRATUM

---

B. F. Bohor and R. E. Hughes: Scanning electron microscopy of clays and clay minerals. *Clays and Clay Minerals* **19**, 49–54 (1971).

The author regrets that in the photograph section on p. 50 the caption to the “top” Fig. 2 should read:

Fig. 2(b). Rock sample of attapulgite from Yucatan, Mexico (Tertiary).

the caption on the “bottom” Fig. 2 should read:

Fig. 2(a). Spray-dried attapulgite from Yucatan, Mexico.

Also the bar scales on Fig. 9 were inadvertently juxtapositioned:

Fig. 9(a) should carry the 10  $\mu$  scale, and Fig. 9(b) the 1  $\mu$  scale.
