Founded in 1909 by the late J. A. Nieuwland, C.S.C., and now in its 24th volume, THE AMERICAN MIDLAND NATURALIST is primarily, though not exclusively devoted to the Natural History of the Middle West. A wide selection of scientific papers on botany, paleontology and zoology is published in bi-monthly issues, three of which make up a volume. Two volumes appear per year, the annual subscription being \$5.00. Exchanges for journals, special volumes or duplicate books and specimens are welcome and should be arranged directly with the editor.

THE REVIEW OF POLITICS, without neglecting the analysis of institutions, and techniques, is primarily interested in the philosophical and historical approach to political realities.

All manuscripts, books for review, exchanges, inquiries, and subscriptions, should be addressed to the Editors, THE REVIEW OF POLITICS, Notre Dame, Indiana.

Opinions expressed in the articles printed in THE REVIEW OF POLITICS are those of the authors alone and are not necessarily opinions held by the editors.

The contents of this publication cannot be reissued or republished in any form without special permission from the Editors.
