

CALL FOR PAPERS AND PARTICIPANTS
1988 Annual Meetings of the Western Finance Association
June 19–22, 1988
Embassy Suites, Napa, California

Members and friends of the Western Finance Association are invited to submit papers to be considered for presentation at the 1988 Annual Meetings. Papers on any topic related to financial economics will be considered.

Submission of Papers

Send four (4) copies of the paper to the program chairman to be received no later than November 25, 1987. Completed papers historically have had much greater success than outlines of work to be done in gaining a spot on the program. Because the number of submissions tends to be far greater than the number of slots on the program, multiple submissions by the same author or authors are not encouraged. Each paper should include an abstract that will assist the program chairman in classifying the paper and selecting readers for it.

All papers are evaluated anonymously by members of the program committee. Please attach a separate sheet of paper giving author's name, address, paper title, and willingness to serve as a discussant or session chairman. Authors will be notified in early 1988.

Other Participants

Individuals willing to serve as session chairmen or discussants who do not wish to submit a paper should write directly to the program chairman.

Annual Awards for Best Papers

Treftz Award: Best Student Paper. \$1000 and possible publication in the *Journal of Financial and Quantitative Analysis*. Send papers to program chairman, indicating they are student papers.

American Association of Individual Investors Award: \$1000 prize for the best paper in investments. Send four copies of paper with cover letter by Nov. 25, 1987, to program chairman.

All papers should be sent by November 25, 1987, to:

Alan C. Hess
Program Chairman, WFA
Graduate School of Business Administration
University of Washington, DJ-10
Seattle, WA 98195

CALL FOR PAPERS

The third symposium on Recent Development in International Banking and Finance sponsored by the Graduate School of Management (GSM), University of California, Riverside, will be held in April 1988 in Southern California.

GSM will consider papers on international banking/finance issues for presentation and subsequent publication in a book titled: *Recent Development in International Banking/Finance*. The papers may be institutional or analytical in nature and should cover the following areas: bank asset/liability management; futures and options contracts and strategies; portfolio management; international asset pricing; developments in the international money and capital markets (e.g., swaps); the foreign exchange market; trade and project financing; risk assessment in an international environment; and related areas. Comprehensive and rigorous survey papers on the above issues are encouraged as well.

Papers submitted will be screened by Professor Sarkis J. Khoury, Editor-in-Chief, and sent on for blind review by the editorial board (two members minimum).

The members of the editorial board are: Michael Adler (Columbia); Tamir Agmon (USC); Bernard Dumas (Wharton); Gunter Dufey (University of Michigan); Donald Lessard (MIT); Richard Levich (NYU); Lemma Senbet (University of Wisconsin-Madison); Marcelle Arak (Citicorp); Alo Ghosh (McKinsey & Co.); Michael Granito (J. P. Morgan Investment Management, Inc.); and Jeffrey Hanna (Salomon Brothers).

The deadline for submitting papers is January 5, 1988.

Financial support for travel will be available for academic authors whose papers have been accepted for presentation. A total of five papers will be selected for presentation at the symposium.

The papers will appear in a book edited by Sarkis J. Khoury and Alo Ghosh to be published by D.C. Heath and Company. The book will be published by December of each year.

Please send papers to:

Professor Sarkis J. Khoury, Editor-in-Chief
Graduate School of Management
University of California, Riverside
Riverside, CA 92521

**Finance Faculty Positions
University of Maryland
College Park, Maryland**

William E. Mayer, Sr. Professor of Finance

The Finance Department is seeking a nationally recognized finance scholar to fill an endowed professorship. The candidate must have a past record of and future potential for distinguished research in finance. The candidate also must be an experienced teacher who is familiar with current and emerging issues in his or her area of interest, and, in addition, should have service and grant interests compatible with the numerous opportunities in metropolitan Washington, D.C.

Assistant Professor of Finance

Applicants should have an earned doctorate from an AACSB school by August 1988, evidence of strong potential and desire to be a productive researcher, and interest in undergraduate and graduate teaching in business finance and investments.

The University of Maryland at College Park is located on a 1,300 acre Georgian architecture campus in suburban Washington, D.C., nine miles from the White House. Metropolitan Washington is a national center of cultural and intellectual activity, as well as the political capital. The ten members of Maryland's finance faculty are very active in research and scholarly accomplishments.

Please address applications, nominations, and inquiries to:

Professor William D. Bradford, Chair
Department of Finance
College of Business and Management
University of Maryland
College Park, MD 20742
(301) 454-5724

Salaries for both positions are competitive, and positions are available to start August 1988. For complete consideration, applications should be received by December 15, 1987. The University of Maryland actively subscribes to a policy of equal employment opportunity. Women and minorities are encouraged to apply.

**Dean
College of Business Administration
The University of Toledo**

AACSB accredited college with 4,200 students and more than 90 full-time faculty seeks a dean to lead development in graduate education, research, and service to business and industry. The college offers programs leading to the B.B.A., M.B.A., and M.S. in Accounting. Master's in Taxation and Ph.D. in Manufacturing Management programs are being developed.

Earned doctorate from an accredited school in a discipline related to accounting, finance, management, marketing, information systems, and operations management; qualification for faculty appointment at an advanced rank in the college; demonstrated competence in university teachings; record of scholarly productivity; and significant administrative experience are preferred.

Applications should be sent to:

Dr. William N. Free, Vice President for Academic Affairs,
The University of Toledo,
Toledo, OH 43606.

The University is an Equal Opportunity/Affirmative Action employer.
