THE JOURNAL OF SYMBOLIC LOGIC is published quarterly, in the months of March, June, September, and December, by the Association for Symbolic Logic, Inc., at 1981 East Locust Street, Pasadena, CA 91107. Second class postage is paid at Pasadena, CA and additional offices. The annual subscription price is \$85.00. Postmaster: Send address changes to *The Journal of Symbolic Logic, Association for Symbolic Logic, P.O. Box 70557, Pasadena, CA 91107*. Business correspondence should be sent to the Secretary-Treasurer of the Association, C. Ward Henson (address below).

The JOURNAL is the official organ of the Association for Symbolic Logic, an international organization for furthering research in symbolic logic and exchange of ideas among mathematicians, philosophers, and others interested in this field.

Individual membership in the Association is open to anyone interested in its work. Annual dues for students are \$16.00. Dues for other individual members are \$32.00 per year. Dues include subscription to the current volume of the JOURNAL. For their personal use, members may purchase back volumes at a discount.

Institutional membership in the Association is available to any academic institution or department. Annual dues are \$200.00. Membership privileges include choices of current subscriptions, of back volumes, and of student memberships; a detailed description is available from the Association. Information on corporate membership is also available from the Association.
