Erratum

A 12-week double-blind randomised controlled trial investigating the effect of dietary supplementation with 125 µg/d vitamin D in adults with asthma – ERRATUM

Stephanie Watkins, Tanja Harrison and Sohail Mushtaq

Faculty of Health, Medicine and Society, University of Chester, Chester CH1 4BJ, UK

DOI: [10.1017/S0007114524000953](https://doi.org/10.1017/S0007114524000953) Published online by Cambridge University Press, 16 May 2024

In the original article the unit of measurement for Vitamin D was amended by the typesetter from IU to µg during the proofs stage, but the numbers were not updated to correspond to the change in unit.

The numbers have now been updated to show the correct µg of Vitamin D.

The Publisher apologises for this error.
