### Publications

The JOURNAL of the Australian Mathematical Society began publication in 1959, and since 1975 has appeared in two series, Series A (Pure Mathematics) and Series B (Applied Mathematics). The Editors are:

(A) Professor J. B. Miller,                      (B) Professor I. N. Sloan,  
    Department of Mathematics,                School of Mathematics,  
    Monash University,                            University of New South Wales,  
    Clayton, Victoria 3168, Australia.        Kensington, NSW 2033, Australia.

The BULLETIN of the Australian Mathematical Society began publication in 1969. Two volumes of three numbers each are published annually. Manuscripts for publication should be sent to the Editor:

Dr B. H. Neumann,  
Department of Mathematics,  
Institute of Advanced Studies,
