## From Chicago

### Jane Austen's Cults and Cultures

Claudia L. Johnson

"Richly informative and altogether delightful, *Jane Austen's Cults and Cultures* tells about Austen in the trenches, read by soldiers on the front lines in two world wars; about the complicated afterlife of Austen as a physical being; about the charms and disappointments of Austen's house in its current form; about ways of reading."

—Patricia Meyer Spacks, University of Virginia

CLOTH \$35.00

### Romantic Things

MARY JACOBUS

### Romantic Things

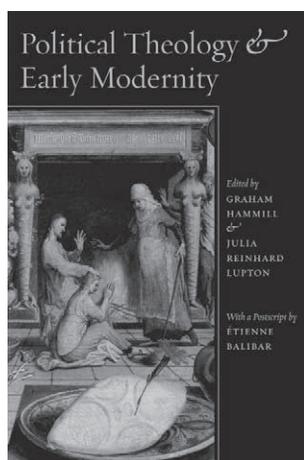

A Tree, a Rock, a Cloud

Mary Jacobus

"Jacobus's Wordsworth is above all the lyric Wordsworth, and her essays are particularly arresting for the ways in which they show her thinking with the poet—and in the process show how good Wordsworth's poetry is to think with."

—Frances Ferguson, Johns Hopkins University

CLOTH \$45.00

### Political Theology and Early Modernity

Edited by Graham Hammill and Julia Reinhard Lupton

With a Postscript by Étienne Balibar

"This stellar collection of essays demonstrates why political theology in recent years has become such a vibrant area of critical inquiry."

—Margreta de Grazia, University of Pennsylvania

PAPER \$29.00

### The Culture of Disaster

Marie-Hélène Huet

"Brave and knowledgeable, *The Culture of Disaster* travels to the frontiers of sense-making, where things crumble, crash, and quake only to be recuperated by sense and voracious systems of meaning. I will carry this book with me as my special guide to the catastrophic tropes that rule our clouded horizon."

—Avital Ronell, New York University

### Charles Bukowski

David Stephen Calonne

In this new interpretation of Charles Bukowski's life and work, David Stephen Calonne examines the creation and originality of Bukowski's writings through the lens of his colorful life, the literary traditions that influenced him, and his unique place in world literature.

PAPER \$16.95

### Allen Ginsberg

Steve Finbow

Moving from his childhood through his meeting with Jack Kerouac and William S. Burroughs in the later 1940s, Allen Ginsberg's former editor and researcher, Steve Finbow, reexamines the life of the famous poet and activist.
