St. Louis, MO 63103

**“Excellent, diverse and wide-ranging.”**

— IRVING LOUIS HOROWITZ, Rutgers University

**T**ranscending the all-too-common politicization and superficiality of public policy research and debate, *The INDEPENDENT REVIEW* is the interdisciplinary, quarterly journal devoted to political economy and the critical analysis of government policy. Edited by **Robert Higgs**, *The INDEPENDENT REVIEW* is superbly written, provocative, and based on solid scholarship.

Ranging across economics, political science, law, history, philosophy, sociology, and related fields, *The INDEPENDENT REVIEW* boldly challenges the politicization and bureaucratization of our world, featuring in-depth examinations of current policy questions by many of the world's outstanding scholars and policy experts. Undaunted and uncompromising, this is *the* journal that is pioneering future debate!

*“The Independent Review is of great interest.”*

— C. VANN WOODWARD, Pulitzer Prize-Winner, Yale U.

*“The Independent Review is an exciting new journal.”*

— JOHN DIGGINS, Prof. of History, City U. of New York

*“... does not accept the pronouncements of government officials at face value, nor the conventional wisdom over serious public problems.”*

— JOHN MACARTHUR, Publisher, Harper's Magazine

*“The Independent Review avoids faddish pyrotechnics while seeking objectivity and high standards.”*

— TIMUR KURAN, Prof. of Econ., U. of Southern Calif.

*“A great team, economic logic and tough analysis.”*

— BRUCE YANDLE, Former Executive Director, F.T.C.

## Vartan Gregorian

President, Brown University

“ University presses are the guardians and transmitters of our cultural and scientific heritage. They specialize, they experiment, they take risks with younger writers and budding scholars, they do justice to local and regional history. They are mavericks.”

# The Modern Corporation and American Political Thought

*Law, Power, and Ideology*

SCOTT BOWMAN

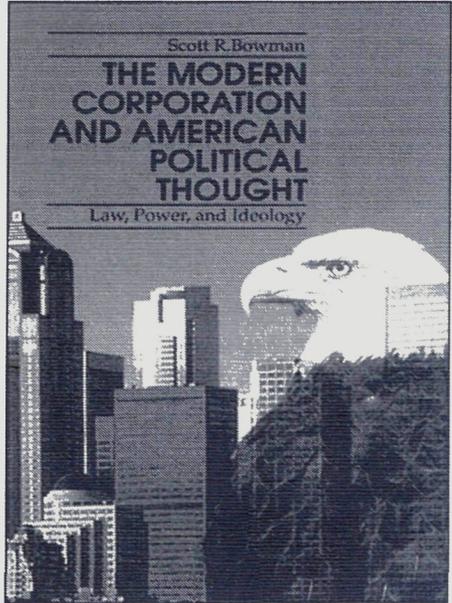

"A comprehensive and thoughtful analysis of the efforts of American political and social thought to come to grips with the power of large business corporations. Its historical perspective is particularly illuminating."

—David Vogel,

University of California, Berkeley

"... this is an important book. It gives a rounded and perceptive analysis of the evolution and spread of corporate power. . . . Those reading it will come away with a fresh appreciation of the challenge presented by corporate power and the urgency of meeting that challenge."

—*Business History Review*

Despite all that has been written about business and its role in American life, contemporary theories about the modern corporation as a social and political institution have failed to explain adequately the pervasiveness and complexity of corporate power in the twentieth century. Through an analysis of history, law, ideology, and economics that spans two centuries, Scott R. Bowman attempts to offer a complete interpretation of the way corporate power has achieved its dominant position in American society today.
