Tuberculosis Control in Acute Disaster Settings: Case Studies from the 2010 Haiti Earthquake – ERRATUM

J. Furin, and T. Mathew

doi: 10.1017/dmp.2013.7, Published by Cambridge University Press, 3 April, 2013.

Trauma Signature Analysis of the Great East Japan Disaster: Guidance for Psychological Consequences – ERRATUM

J. Shultz, D. Forbes, D. Wald, F. Kelly, H. Solo-Gabriele, A. Rosen, Z. Espinel, A. McLean, O. Bernal, and Y. Neria

doi: 10.1017/dmp.2013.21, Published by Cambridge University Press, 26 March, 2013.

Self-Immunization with Live Attenuated Influenza Vaccine in a Mass Vaccination Clinic – ERRATUM

M. Zahn, P. Pursiful, R. Carrico, C. Woods, and A. Troutman

doi: 10.1017/dmp.2013.25, Published by Cambridge University Press, 3 April, 2013.

The articles mentioned above (first published online March, April 2013) were originally published with incorrect article headings. The correct headings are as follows:

- ‘Tuberculosis Control in Acute Disaster Settings: Case Studies from the 2010 Haiti Earthquake’ by Furin, et al. is a From the Field.
- ‘Trauma Signature Analysis of the Great East Japan Disaster: Guidance for Psychological Consequences’ by Shultz, et al. is a Special Focus.
- ‘Self-Immunization with Live Attenuated Influenza Vaccine in a Mass Vaccination Clinic’ by Zhan, et al. is a Commentary.

The publisher regrets these errors.
