AUSTRALIAN BEHAVIOUR MODIFICATION ASSOCIATION

AIMS

The Australian Behaviour Modification Association (ABMA) is a multidisciplinary professional society. The aims of the Association are:

- (a) To organise continuing education and training in the principles and practice of behaviour modification;
- (b) To publish and disseminate information to members about developments in behaviour modification in Australia and other countries;
- (c) To educate the community in the principles and ethical practice of behaviour modification;
- (d) To liaise and consult with other persons or organisations in the teaching and practice of behaviour modification;
- (e) To promote the ethical practice of behaviour modification by members;
- (f) To organise or assist in the organisation of an annual National Conference on Behaviour Modification.
