

## *Editor's Notes*

Interested scholars and libraries may obtain without charge from the Agricultural History Center, University of California at Davis, a new bibliographical guide compiled by James H. Shideler and Lawrence B. Lee. The guide, *A Preliminary List of References for the History of Agriculture in California*, was a cooperative project of the Agricultural History Center and the Agricultural History Branch of the Economic Research Service, U.S. Department of Agriculture.

The American Studies Association is inaugurating a national placement service to accommodate institutions and individuals interested in a multidisciplinary approach to American civilization. Those interested in filing applications, in listing openings, or in receiving the published registers should contact Dr. Charles F. Ogilvie, Director, ASA Placement Service, Wayland Baptist College, Plainview, Texas 79072.

The Society for the History of Discoveries announces the establishment of *Terrae Incognitae: The Annals of the Society for the History of Discoveries*. Articles should be submitted to Professor Bruce B. Solnick, Department of History, State University of New York at Albany, 1223 Western Avenue, Albany, New York 12203. Inquiries about membership and subscriptions should be sent to Dr. John Parker, University of Minnesota Library, Minneapolis, Minnesota 55455.

The Council on Research in Economic History invites applications for grants of modest sums of money to initiate or advance significant projects of research in economic history. Inquiries and applications should be directed to Alfred D. Chandler, Jr., Department of History, The Johns Hopkins University, Baltimore, Maryland 21218.
