

ERRATUM

An assessment of the temporal dynamics of moral decisions – ERRATUM

Gregory J. Koop

Keywords: moral decision making; methodology; process models; dual-systems models; erratum

This is an archival correction notice, documenting a correction previously made in May 2022.

Following the original publication of this article (Koop, 2013) the article was updated to replace an incorrect linear contrast on p. 531 with corrected values. The conclusions of the article were not affected.
