PHYSIOLOGY OF FARM ANIMALS

By F. H. A. MARSHALL
and E. T. HALNAN

*Demy 8vo. With 118 Text-figures
15s. net*

The first part of a book with this title, by Dr F. H. A. Marshall, was published in 1920. It was intended that the late Professor T. B. Wood should write Part II. The present work is a new book in one volume, and contains, in addition to a revised setting of the original Part I, an up-to-date treatment of the projected second part.
