
**Alphabetischer Katalog der Bibliothek des
JOHANN GOTTFRIED HERDER-INSTITUTS**

The library of the Herder Institute at Marburg/Lahn is the reference collection of West Germany's largest research center for the study of East Central Europe. Holdings cover the political, legal, economic, and cultural history of the area, along with literature and other subjects related to the countries and peoples of East Germany, Poland, Czechoslovakia, Lithuania, Latvia, and Estonia.

Arrangement of the alphabetical catalog of the library is according to author, if known, otherwise by subject. German translations are provided for book and periodical entries in East European languages.

**DEATH IN THE FOREST:
THE KATYN FOREST MASSACRE** *By J. K. Zawodny*

This work is a thorough study into the death of 15,000 Polish officers and men who were prisoners of the Soviet Union in 1939. Governments accused governments while Britain and America did nothing as the greatest murder mystery of all time unraveled its story. Well-documented including six illustrations.
