The *Journal of Financial and Quantitative Analysis* is published in January, March, June, September, and December by the Graduate School of Business Administration, Seattle, Washington 98195, in conjunction with the Western Finance Association. Second-class postage paid at Seattle, Washington.

The December issue is a special issue devoted to one topic of interest to the *JFQA*'s readership. The March issue contains selected papers, abstracts of papers, discussants' comments, and the Proceedings of the Western Finance Association meetings.

The views and opinions expressed are those of the authors and do not necessarily reflect those of the Graduate School of Business Administration of the University of Washington or of the Western Finance Association.

For individuals, the annual subscription rate to the *JFQA* is \$10.00; for firms or libraries, the annual rate is \$15.00. Single copies are \$2.50, except the special issues, the price of which is \$3.00. Annual subscription rates for individuals and libraries outside the United States (except Canada) are \$11.00 for individuals and \$16.00 for libraries. The fiscal year of the *Journal of Financial and Quantitative Analysis* begins on January 1. All subscriptions received prior to October 1 of any fiscal publication year will receive the entire set of journals published in that year. All subscriptions received on or after October 1 will apply to the forthcoming fiscal publication year.

Manuscripts and editorial correspondence should be sent to the Managing Editor. Advertising inquiries and books for review should be addressed to the Associate Managing Editor. Claims for missing issues must be made within two months of the scheduled publication month.

Correspondence pertaining to the Western Finance Association should be sent to Professor Thomas E. Stitzel, School of Business, Oregon State University, Corvallis, Oregon 97331.
