

# THE STUPIDITY OF WAR

AMERICAN FOREIGN  
POLICY AND THE CASE  
FOR COMPLACENCY

JOHN MUELLER

“A characteristically bold and sweeping assault on the key tenets of American national security policy. Even readers who do not agree will be challenged by a well-crafted and thoroughly documented argument.”

*Martha Crenshaw, Stanford University & Wesleyan University*

“Unfailingly incisive, witty, original, prescient, and constructively contrarian. True to form, this case for complacency will shake you out of your complacency on American military policy.”

*Steven Pinker, Harvard University*
