Religion and American Culture by  
the University of California Press

## Statement of Purpose

*Religion and American Culture: A Journal of Interpretation* explores the interplay between religion and other spheres of American culture. The journal embraces a diversity of methodological approaches and theoretical perspectives. Although concentrated on specific topics, articles illuminate larger patterns, implications, or contexts of American life. *Religion and American Culture* is, thus, devoted to promoting the ongoing scholarly discussion of the nature, terms, and dynamics of religion in America.

*Religion and American Culture* (ISSN 1052-1151) is published bi-annually by the University of California Press for the Center for the Study of Religion and American Culture. Subscription rates per year are \$22 individual, \$45 institutional. Outside the USA, add \$15 postage per volume. Single issues are available for \$12 individual, \$24 institutional. Please notify the University of California Press of any change of address. Issues not deliverable because of outdated addresses will not be replaced. GST Registration No. 122058662.
