

Interpreting end-of-life experiences of the person with motor neurone disease – ERRATUM

Denise Andrea Harris, PH.D., M.PHIL., M.RES., B.SC.

Erratum

Cite this article: Harris DA (2022). Interpreting end-of-life experiences of the person with motor neurone disease – ERRATUM. *Palliative and Supportive Care* **20**, 302. <https://doi.org/10.1017/S1478951521001267>

<https://doi.org/10.1017/S1478951521000699>, published by Cambridge University Press, 25 June 2021

In the original publication of this letter to the editor (Harris, 2021), two in-text citations were mistakenly swapped. The last citation at the end of the first paragraph should be (Harris et al., 2018a) and the citation in the third paragraph should be (Harris et al., 2018b), rather than the other way around.

The publisher apologizes for these errors.
