Student Premium	☐	-	-	-	☐	38	76	51

All prices include delivery by air where appropriate. Prices exclude VAT, which is due on the online component of subscriptions in the UK and non-VAT registered subscribers in the EU. EU subscribers (outside the UK) who are not registered for VAT should add VAT at their country's rate.

VAT-registered customers should provide their VAT registration number:

Japanese prices for institutions (including ASP delivery) are available from Kinokuniya Company Ltd, P.O. Box 55, Chitose, Tokyo 156, Japan.

A black and white photograph of an archaeological excavation site. Two hands are visible, one on the left and one on the right, both resting on the ground. A small, dark, circular object, possibly a coin or a small artifact, is being brushed with a small brush. The ground is uneven and textured, with some small rocks and debris. A large, dark, semi-transparent circle is overlaid on the right side of the image, containing the text.

Archaeology

Books and Journals from
Cambridge University Press

Cambridge publishes books and journals that cover research throughout world archaeology and across all periods.

Our list includes key handbooks and manuals in method, theory and scientific techniques; case studies of sites, surveys and excavations; comparative and interpretative works; scholarship on cultural resource management, and large scale, reliable reference works.
