

## *Editor's Notes*

*The Journal of Economic Issues*, a new quarterly co-sponsored by the Association for Evolutionary Economics and The University of Texas, is scheduled to begin publication in the Spring of 1967. This *Journal* will be concerned with major issues of public policy, of economic methodology, and of understanding the processes and problems of economic change. Annual subscriptions of \$5.00 may be paid to Professor Ben B. Seligman, 125 Draper Hall, University of Massachusetts, Amherst, Massachusetts 01003. The Editor will be Professor Forest G. Hill and the Book Review Editor, Professor Robert J. Lawrence, both of The University of Texas.

The Trustees of the Eileen Power Memorial Fund have invited applications for the Eileen Power Memorial Studentship in Social and Economic History for the year beginning October 1967. The Studentship is designed for students of postgraduate standard who are either currently engaged in research or who have had experience of graduate work and are intending to do research. It is of the value of at least £650 and will be tenable for one year. Full information may be obtained from the Registrar, The London School of Economics and Political Science, Houghton Street, Aldwych, London W.C.2, England.

The American Institute of Aeronautics and Astronautics has announced the opening of an annual competition for the best historical manuscript dealing with the science, technology, and impact of aeronautics and astronautics on society. The Award carries a cash prize of \$500 and the opportunity for publication in the AIAA Historical Monograph Series. Inquiries should be addressed to Professor I. B. Holley, Jr., Department of History, Duke University, Durham, North Carolina 27706.
