The authors and the publisher would like to correct the following errors in the text:

Error	Correction
Table 1 (p. 7): Ideational Approach ^t	Ideational Approach
Sentence (p. 5): The first conflict concerns concerns the ideational approach of political actors to the relationship between social and ecological goals and the extent to which political actors emphasize eco-social policies as a political solution to eco-social risks.	The first conflict concerns the ideational approach of political actors to the relationship between social and ecological goals and the extent to which political actors emphasize eco-social policies as a political solution to eco-social risks.
Sentence (p. 16): The second dimension of conflict concerns the design of eco-social policies. Once actors have acknowledged the desirability and feasibility of conciliating ecological and social goals through integrated policies, conflicts could emerge regarding the specific design of these policies.	The second dimension of conflict concerns the design of eco-social policies. Once actors have acknowledged the desirability and feasibility of conciliating ecological and social goals through integrated policies, conflicts could emerge regarding the specific design of these policies.

The authors and the publisher apologise for the errors.
